

Reitzel Insulation Nominated in CommunityVotes Kitchener-Waterloo 2026

Waterloo insulation contractor recognized in the Drywall and Insulation category on the CommunityVotes Kitchener-Waterloo platform.

Waterloo, Ontario Mar 18, 2026 ([IssueWire.com](https://www.IssueWire.com)) - **Reitzel Insulation**, a Waterloo-based insulation contractor serving the Kitchener-Waterloo region and communities throughout Southern Ontario, has been nominated in the Drywall and Insulation category on the **CommunityVotes Kitchener-Waterloo** platform. The nomination reflects the company's continued work delivering insulation solutions for residential, agricultural, and commercial construction projects.

CommunityVotes Kitchener-Waterloo is a community-driven recognition program where residents nominate and vote for local businesses they value across a wide range of service categories. Reitzel Insulation's nomination highlights the company's long-standing presence in the region and its work supporting contractors, builders, and property owners with professional insulation services.

Over the years, Reitzel Insulation has completed more than 100,000 insulation projects across Southern Ontario. The company works with a diverse range of clients including commercial contractors, agricultural builders, new home builders, and homeowners seeking to improve the energy efficiency and comfort of their properties.

Reitzel Insulation provides several specialized services including spray foam insulation, blown-in insulation systems, insulation removal, and fireproofing solutions. Each project is approached with a focus on proper installation methods, reliable materials, and consistent workmanship designed to meet the needs of each building.

A member of the company's leadership team, **Jamie George** says the nomination reflects the continued support of clients and partners across the region.

"We are grateful to be recognized by the community and appreciate the continued trust our clients place in our team," said George. "Our focus has always been on providing dependable insulation solutions while maintaining the quality and service standards that our customers expect."

Reitzel Insulation continues to work closely with builders, contractors, and property owners to provide insulation systems designed to improve building performance, energy efficiency, and indoor comfort. The company's experience across a wide range of project types allows it to deliver practical solutions for both new construction and renovation projects.

Community members who wish to support Reitzel Insulation in the [CommunityVotes Kitchener-Waterloo](#) program can participate in the voting process by visiting the official nomination page.
