

SPI Pools Opens 2026 Build Season for Greater Cincinnati Dream Backyards

Authorized Barrier Reef installer announces limited 2026 pool build opportunities for homeowners across Greater Cincinnati seeking a custom backyard oasis with expert installation, quality craftsmanship, and personalized service.

Covington, Kentucky Mar 18, 2026 ([IssueWire.com](http://www.IssueWire.com)) - Swimming Pool Innovations (SPI Pools), owned by Nick Barkley and based in Covington, Kentucky, is officially announcing the start of its **2026 pool building season**, with a limited number of opportunities available for homeowners looking to create their ideal backyard oasis across the Greater Cincinnati, Ohio area.

As families continue investing in outdoor living and at-home recreation, SPI Pools is encouraging homeowners to begin planning now for 2026 projects. With limited build slots available for the upcoming season, early scheduling will be important for those who want to transform their outdoor space into a destination for relaxation, entertainment, and lasting memories.

Swimming Pool Innovations is proud to serve homeowners throughout the Greater Cincinnati region with professional pool installation services backed by personalized attention and a commitment to quality

craftsmanship. As an authorized [Barrier Reef pool installer](#), SPI Pools offers homeowners access to premium fiberglass pool options known for their durability, beauty, and low-maintenance benefits. This allows customers to enjoy a streamlined path from concept to completion while working with a local company that understands both the practical and aesthetic goals of a dream backyard project.

“Our 2026 season is all about helping homeowners bring their vision to life,” said Nick Barkley, owner of Swimming Pool Innovations. “Whether someone is just starting to imagine what’s possible or is ready to move forward with a complete backyard transformation, we’re excited to help create outdoor spaces that families can enjoy for years to come. Because availability is limited, now is the right time to start the conversation.”

SPI Pools works with homeowners who want more than just a pool—they want a complete outdoor experience. From a peaceful private retreat to a gathering space for friends and family, the company focuses on delivering solutions that match each homeowner’s property, lifestyle, and long-term goals. By opening the 2026 calendar now, SPI Pools aims to give area residents the opportunity to secure a place in the upcoming season before remaining slots are filled.

Homeowners in Covington, KY and throughout the Greater Cincinnati area who are considering a new pool for 2026 are invited to contact Swimming Pool Innovations to discuss availability and begin planning their backyard oasis.
