

The Appointed Time Has Come: America's Great Wave Offering Announced During USA 250

Baltimore, Maryland Mar 24, 2026 (Issuewire.com) - Marcia Thompson Eldreth has remained faithful to a vision she received during prayer in the spring of 2003. She believes that vision has now reached its appointed time—a moment for Americans to “raise our banners in one accord,” declaring the God who established this land and has sustained it by the saving strength of His right arm.

The mission, called “America’s Great Wave Offering (to Her King),” centers on a flag whose imagery—an eagle carrying a blood-stained cross to the world—was revealed to Eldreth during prayer. She states that the colors, symbols, and even the significance of flags themselves are scripturally grounded and divinely inspired. She describes the flag as a bold, silent witness that speaks of the end and “will not prove false.”

“I was apprehended by God for this mission,” Eldreth said. “He confirmed it many times over, including through Pat Robertson’s request to feature the story on air when the image had been on paper for less than 10 hours.” Portions of the story aired on CBN’s 700 Club during Flag Day broadcasts in 2004 and 2005.

Historical context adds further meaning to the mission. The journal documenting the dedication of Cape Henry Landing—where this land was consecrated to God for the propagation of the Gospel in the end times—resurfaced during the nation’s bicentennial in 1976. Now, during the 250th anniversary of the United States, this sense of national purpose is being highlighted again, with May 17, 2026, marked as a day of rededication.

Eldreth describes the United States as a “Sheep Nation,” known by adversaries as the “Nation of the Cross.” She asserts that the nation’s Christian foundation is what has historically enabled freedom of religion for all people.

“I truly believe that, if fully implemented, this mission has the power to impact even the chronicles of heaven,” she said. “While America is not specifically named in the Bible, we are clearly a key nation. Jesus said that if we confess Him before men, He will confess us before the angels of God in heaven.”

Eldreth now issues a call to action for the Church in America:

How will the Ecclesia respond?

Are we fearful or ashamed?

Will we transcend denominations and, with one mind and one accord, boldly raise this God-given banner according to Psalms 20:5 and 60:4?

Let the redeemed of the Lord declare it—by uniting to create this Great Wave.

Flags created for America’s Great Wave Offering are now available for purchase for individuals, churches, and ministries wishing to participate.
