

Torham Exterior Solutions Inc Nominated in Roofing Categories in CommunityVotes Hamilton 2026

Hamilton exterior contractor recognized for roofing, siding, and soffit services on the CommunityVotes Hamilton platform.

Hamilton, Ontario Mar 13, 2026 ([IssueWire.com](https://www.issuewire.com)) - **Torham Exterior Solutions Inc**, a Hamilton-based roofing and exterior contracting company, has been nominated in multiple categories on the CommunityVotes Hamilton platform. The nominations highlight the company's continued work providing roofing and exterior services for commercial, industrial, and residential properties across the region.

CommunityVotes Hamilton is a community-driven recognition program where residents nominate and vote for local businesses they value across a wide range of service categories. Torham Exterior has received nominations in categories including Roofing as well as Roofing, Siding and Soffits.

Torham Exterior brings more than two decades of industry experience to projects throughout the **Greater Hamilton and Greater Toronto areas**. The company focuses on delivering dependable roofing solutions supported by clear communication, professional workmanship, and attention to safety on every job site.

The company's services include roofing installation and repairs, waterproofing systems, siding work, and custom sheet metal solutions designed to improve the durability and performance of commercial and residential properties. Each project is approached with a focus on selecting the right materials and installation methods to ensure long-term protection for the building.

Owner **Yousif Georgis** says the recognition reflects the relationships the company has developed with property owners and businesses in the community.

"We are grateful to be recognized by the community and appreciate the trust our clients place in us," said Georgis. "Our goal is to deliver reliable roofing and exterior solutions while ensuring every customer receives honest communication and quality workmanship."

Torham Exterior Solutions Inc works with property owners, facility managers, and contractors to deliver roofing and exterior improvements designed to meet the demands of Ontario's climate. The team emphasizes safety standards, durable materials, and practical construction methods that support long-term performance.

Through careful planning and experienced installation teams, the company provides roofing systems that help protect buildings while maintaining the structural integrity and appearance of the property.
