

# Trevor Nichols, DMD, MS: Board-Certified Orthodontist, World-Renowned Educator, and Aesthetic Magician

Pioneering Personalized Orthodontic Care and Advancing Global Education

Board-Certified Orthodontist, is gaining international recognition for his innovative approach to orthodontics and unwavering commitment to aesthetic excellence. At his private practice, Nichols Orthodontics + Aesthetics, Dr. Nichols is not only reshaping smiles but also transforming lives through personalized treatment and education.

From an early age, Dr. Nichols aspired to enter the medical field, driven by a unique fusion of artistry and science. As the first doctor in his family, he has carved an inspiring path in the world of orthodontics, where he is dedicated to making a significant impact on his patients' lives. His journey began at Arizona State University, where he graduated as valedictorian, and continued at the Arizona School for Dentistry and Oral Health, where he obtained his Doctorate in Dental Medicine while serving as class president.

Dr. Nichols further honed his expertise through a rigorous residency and specialty training in Orthodontics and Dentofacial Orthopedics, culminating in a Master's Degree with a groundbreaking thesis on Temporomandibular Disorders (TMD). Since 2016, he has treated thousands of patients and is recognized for his dynamic lectures on fixed orthodontics and clear aligners, sharing his knowledge with orthodontists around the globe.

A hallmark of Dr. Nichols' practice is his creation of the Nichols Smile Score, an innovative approach to delivering objective and personalized orthodontic treatment. He emphasizes that his mission transcends merely aligning teeth—it's fundamentally about enhancing the lives of his patients.

In addition to his clinical practice, Dr. Nichols is an avid educator who actively participates in global speaking engagements. He is passionate about sharing his expertise while continually striving to learn and grow within his field. This dedication has earned him accolades, including the Top Dentist Award from Phoenix Magazine, highlighting his contributions to orthodontics.

Outside of his professional accomplishments, Dr. Nichols is a devoted husband to Alyssa and a proud father of four boys. His interests include reading leading orthodontic journals and maintaining a healthy lifestyle through fitness. Guided by his philosophy that "the way you do anything is the way you do everything," Dr. Nichols inspires those around him with his commitment to excellence.

As technology continues to advance, Dr. Trevor Nichols is enthusiastic about the future of orthodontics and looks forward to creating even more beautiful smiles for his patients.
