

## Tri-City Custom Upfitters Nominated in Multiple Categories in CommunityVotes Cambridge 2026

Cambridge vehicle upfitting company recognized in several automotive categories on the CommunityVotes Cambridge platform.

**Cambridge, Ontario Mar 10, 2026 ([IssueWire.com](https://www.IssueWire.com))** - **Tri-City Custom Upfitters**, a Cambridge-based truck and van upfitting company serving businesses throughout the Kitchener-Waterloo and Guelph region, has been nominated in multiple categories on the **CommunityVotes Cambridge** platform. The recognition highlights the company's work providing specialized vehicle upfitting services and commercial truck accessory installations for local fleets and vehicle owners.

CommunityVotes Cambridge is a community-driven recognition program where residents nominate and vote for local businesses they value across a wide range of service categories. Tri-City Custom Upfitters has been nominated in several automotive-related categories including Car Parts and Accessories, Truck Accessories, and Used Parts and Accessories.

Founded by **Chad Greenlee**, Tri-City Custom Upfitters focuses on helping businesses and vehicle owners equip their trucks and vans with the tools and equipment needed for professional work environments. The company provides a range of services including fleet upfitting, certified van upfitting solutions, professional spray-on bedliner installation, truck accessory installation, and commercial

vehicle safety lighting systems.

Many service-based businesses rely on customized work vehicles to support their daily operations. Tri-City Custom Upfitters works with contractors, trades professionals, and fleet managers to configure vehicles that improve efficiency, safety, and storage capacity.

Owner Chad Greenlee says the nominations reflect the support of the local community and the businesses that rely on well-equipped vehicles to operate effectively.

“We are grateful to be recognized by the community and appreciate the support of our customers and local businesses,” said Greenlee. “Our goal is to provide reliable upfitting solutions that help companies keep their vehicles organized, safe, and ready for work.”

Tri-City Custom Upfitters continues to serve clients throughout Cambridge, Kitchener-Waterloo, and the surrounding region by offering practical vehicle customization services for commercial trucks and vans. The company works closely with customers to install equipment and accessories that support day-to-day operations in industries such as construction, service trades, and transportation.

From safety lighting and storage systems to protective bedliners and accessory installations, the company’s services help businesses transform standard vehicles into reliable work-ready fleet assets.

Community members who wish to support Tri-City Custom Upfitters in the [CommunityVotes Cambridge](#) program can participate in the voting process by visiting the official nomination page.

More information about the company’s services can be found on the company website at [tricitycustomupfitters.com](http://tricitycustomupfitters.com).
