**City of Commerce, California Mar 25, 2026 ([IssueWire.com](http://IssueWire.com))** - United Hotel Supply, a trusted hotel supply USA provider, today announced the expansion of its [hotel PIP renovation supplier services](#), offering complete, cost-efficient solutions for hotel and motel owners across the United States.

With increasing pressure from franchise brands to meet Property Improvement Plan (PIP) requirements, hotel owners are seeking reliable partners who can deliver wholesale hotel renovation supplier solutions under one roof. United Hotel Supply addresses this demand by combining procurement, manufacturing, and logistics into a streamlined model.

*"Hotel owners today don't just need products—they need a partner who understands PIP compliance and timelines," said a spokesperson from United Hotel Supply. "Our goal is to simplify renovations while helping clients stay on budget and on schedule."*

### Complete Renovation & Supply Solutions

United Hotel Supply provides:

- Wholesale [hotel furniture suppliers](#) for renovations
- Hotel case goods and FF&E packages
- Commercial hotel supplies for full property upgrades
- [Hotel renovation flooring solutions](#) including SPC and vinyl

These services are designed to reduce vendor dependency and improve project efficiency.

## Enhanced Guest Experience Through Modern Upgrades

The company also delivers:

- Hotel lighting supplier solutions
- [Hotel LED mirror supplier](#) USA offerings
- Luxury hotel mirrors and decorative upgrades

These features help hotels elevate interiors while improving guest satisfaction scores.

### Why This Matters for Hotel Owners

- Faster PIP compliance
- Reduced sourcing complexity
- Bulk pricing advantages
- Nationwide delivery
