

Vision & Vibes Creators' Summit | Los Angeles 2026

Where creators, culture, and conversation intertwine in the heart of Los Angeles

Los Angeles, California Mar 20, 2026 ([IssueWire.com](https://www.issuewire.com)) - Vision & Vibes is a summit built to move independent creatives from invisible to intentional. It meets the reality of building a creative career without burnout, gatekeepers, or sacrificing artistry. The summit bridges the gap between talent and opportunity by offering strategy, community, and clarity.

Event: Vision & Vibes Creators' Summit

Date/Time: Saturday, September 19, 2026; 11:00 a.m. to 3:30 p.m.

Where: Double Tree by Hilton | La Brea Room; 888 Montebello Blvd., Rosemead, CA 91770

Audience: Indie artists, creative entrepreneurs, small business founders, creators

Focus: Intentional visibility, credibility, community, sustainable growth

Media Opportunities: Founder interviews, speaker interviews, on-site coverage, trend stories

Why it Matters?

The creative landscape is shifting. Creators are reshaping the industry through music, business, filmmaking, and more. Artists and founders are building their own pathways to success, and traditional gatekeepers are losing influence. Vision & Vibes spotlights this cultural shift by centering intentional visibility, credibility, and sustainability rather than viral pressure or hustle culture.

Media Opportunities

- Interview with founder Tiara Sanders
- Featured artist & creator interviews
- Speaker interviews
- On-site coverage
- Trend stories on the evolving creator economy
