

32 Years of Sweet Moments: Four Seasons Catering Celebrates with Free Donut Bouquets

Singapore, Singapore Apr 5, 2026 ([Issuewire.com](https://www.issuewire.com)) - Four Seasons Catering marks its 32nd anniversary with a limited-time customer appreciation promotion, offering free donut bouquets for buffet and mini buffet orders placed in April 2026.

Four Seasons Catering is celebrating “32 years of sweet moments” by giving back to its customers in a

way that is both thoughtful and delightful. Instead of the usual anniversary cake, the well-established catering brand is rolling out a special promotion—free donut bouquets for the first 100 orders made in April 2026. The offer applies to buffet and [mini buffet menus](#) and will be automatically included, with no promo code required.

The initiative is designed to reward loyal customers while adding a unique touch to celebrations across Singapore. Known for its extensive catering menu, Four Seasons Catering continues to serve a wide range of dishes—from local favourites and Peranakan-inspired cuisine to Western selections and handcrafted desserts. Whether it's a corporate function, family gathering, or festive occasion like Hari Raya, the brand positions itself as a reliable choice for seamless, ready-to-serve buffet setups.

A spokesperson for Four Seasons Catering shared, “Reaching 32 years is a meaningful milestone for us. This promotion is our way of saying thank you to customers who have trusted us to be part of their important moments. The donut bouquet is a small gesture, but we hope it adds a little extra joy to every celebration.”

Beyond the promotional perk, the company's strength lies in its consistency and flexibility. With decades of experience handling events of all sizes, Four Seasons Catering has built a reputation for quality food, dependable service, and menu versatility. Customers can expect well-curated buffet spreads, efficient delivery, and the convenience of professional catering setups that take the stress out of event planning.

As demand for catering services rises during festive and event-heavy periods, early booking is strongly encouraged. With only 100 complimentary donut bouquets available, customers are advised to secure their buffet or mini buffet orders via the company's website while stocks last.
