

528 Collective and Aprtment Life Bring Signature House and R&B Sound to Skybar at Solaire Resort North

Quezon City, Metropolitan Manila Area Apr 20, 2026 ([Issuewire.com](https://www.issuewire.com)) - Skybar at Solaire Resort North opens its doors to a distinct nightlife experience as Aprtment Life, the internationally emerging music group, makes its Manila comeback in a showcase presented by 528 Collective, a team dedicated to curating music and events. Formed during the global lockdown as a form of bringing community back together through music, UK-born Aprtment Life reintroduces its DJs to bring back its signature sounds to the Quezon City rooftop bar this April 23, 2026.

Set high above the city, Skybar continues to evolve as a rooftop destination shaped by atmosphere, perspective, and intention. Guided by the vision, the venue welcomes globally emerging collectives and artists whose sound aligns with its sensibility, introducing a more curated approach to evenings defined by music, setting, and shared experience. The arrival of Aprtment Life marks the beginning of this shift, adding a new dimension to Skybar's identity.

For one night only, Skybar will be reimagined in a neutral-toned palette as Aprtment Life presented by 528 Collective brings its groove to the rooftop, where skyline views and sound move in tandem. Known for sets centered on connection and presence, the collective creates an atmosphere that feels both intimate and expansive, where energy builds organically and lingers long after the last track.

Since its establishment, Aprtment Life's producer Dean M.F. Johnson, vocalist Shea Soul, and DJ Parismatiq, and later joined by DJ Miamor, come together to bring their blend of R&B, house music, and soulful electronic textures to Manila. What began as a series of private sessions has grown from a series of private sessions into a global collective grounded in collaboration, authenticity, and emotionally driven sound. Their approach aligns with Skybar's own perspective, where each element is intentional, and every detail contributes to the overall experience.

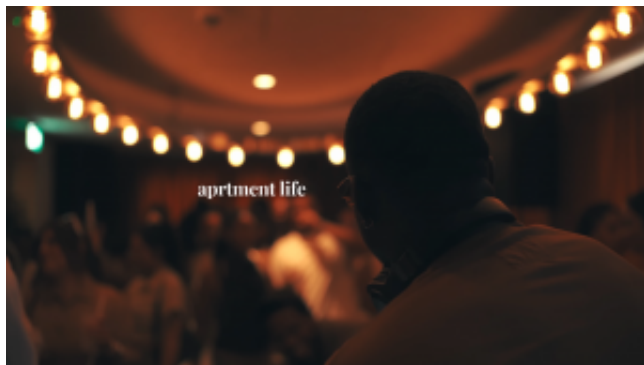

In Manila, the shared sensibility comes to life through a night that leans into mood, movement, and atmosphere, reflecting a continued evolution for Skybar, where rooftop nightlife is reimaged through more intentional pace.

Aprtment Life at Skybar, Solaire Resort North takes place on 23 April 2026, Thursday. For tickets, visit www.yourtessera.com/e/ph528aprtmentlife. Guests are required to follow a neutral-toned dress code consisting of beige, cream, nude, light brown, and tan.
