commitment to providing accessible, high-quality dental care to individuals and families at every stage of life.

About Affordable Family Dental

Affordable Family Dental is led by Dr. Ajaipal Dhanoa, DDS, and is located at 6015 Capitol Blvd SE, Tumwater, WA. The practice was established with the goal of making quality dental care approachable for the whole community, from a child's first dental visit to advanced restorative procedures for adults and seniors.

Known for transparent pricing, a gentle approach, and same-day availability, [Affordable Family Dental](#) has built a reputation for treating every patient like family.

What New Patients Can Expect

Patients who choose Affordable Family Dental as their dental home will have access to the following:

Comprehensive Family Care: The practice offers a complete range of dental services under one roof, including preventative dentistry, family and cosmetic dentistry, clear aligners, restorative dentistry, dental implants, periodontics, sedation dentistry, and emergency dental care. Families can schedule care for every member in one convenient location.

New Patient Offers: New patients without insurance can take advantage of a \$59 Exam and X-Ray offer to get their oral health assessed and on the right track. Additional new patient offers are available. Patients are encouraged to contact the practice directly or visit the website for current promotions.

Same-Day and Emergency Appointments: Affordable Family Dental offers same-day care and emergency dental services for patients experiencing urgent dental concerns. Extended evening hours on Wednesdays and Thursdays are available to accommodate busy schedules.

Advanced Technology: The practice utilizes modern dental technology to support accurate diagnosis and efficient, comfortable treatment. Patients benefit from a streamlined experience from the moment they book their appointment through to treatment completion.

Flexible Financing and Insurance Support: Affordable Family Dental works with a range of insurance providers and offers financing options to help patients manage the cost of their care. The team is available to guide patients through their coverage and payment options.

Services Available to New Patients

Affordable Family Dental currently provides the following services to patients in Tumwater and surrounding communities:

Preventative Dentistry: Routine cleanings, exams, and X-rays to maintain long-term oral health and detect concerns early.

Cosmetic Dentistry: Smile-enhancing treatments including Opalescence Boost professional teeth whitening and dental veneers.

Clear Aligners: A discreet, removable orthodontic option for patients looking to straighten their teeth

without traditional metal braces. Treatment suitability is assessed by Dr. Dhanoa based on individual clinical circumstances.

Restorative Dentistry: Composite fillings, dental crowns, root canal therapy, and dental bridges to repair and restore damaged or missing teeth.

Dental Implants: A long-term, natural-looking solution for tooth replacement, assessed and planned on a case-by-case basis.

Sedation Dentistry: Safe and effective sedation options for patients who experience dental anxiety, helping ensure a comfortable visit.

Emergency Dentistry: Urgent dental care available when patients need it most, with same-day visits offered where possible.
