

All-in-One CRM & Marketing Automation Platform to Help Agencies and Growing Businesses Scale Faster

The powerful platform unifies CRM, automation, funnels, scheduling, and analytics into one streamlined system built for modern business growth.

The logo for OneBizGrowth is centered on a dark blue background. It features the number '1' inside a red circle, followed by the text 'BizGrowth' in white. A red arrow points upwards and to the right, positioned behind the 'G' and 'r' of 'Growth'.

Rancho Santa Margarita, California Apr 28, 2026 ([IssueWire.com](https://www.issuewire.com)) - **OneBizGrowth**, a next-generation CRM and marketing automation platform developed by **The One Technologies**, has officially launched to help agencies, startups, and growing businesses eliminate operational gaps and scale with confidence.

In today's competitive market, businesses are losing leads, wasting hours on manual tasks, and juggling multiple disconnected tools that don't work together. [OneBizGrowth](#) was built to solve all of that - in one place.

The platform brings together advanced CRM, multi-channel marketing automation, sales pipelines, funnel and landing page builder, unified messaging inbox, appointment scheduling, reputation management, and real-time analytics - replacing up to 10 separate tools with a single, seamless system.

One Platform. Every Tool Your Business Needs.

OneBizGrowth is designed for agencies and growing businesses that need enterprise-grade infrastructure without enterprise complexity. Built and backed by the engineering excellence of The One Technologies, the platform delivers 99.9% uptime, advanced data encryption, and scalable architecture that grows with your business.

Key features include:

- **Advanced CRM** - Track leads in real time, automate follow-ups, and close deals faster
- **Multi-Channel Automation** - Engage leads via email, SMS, and WhatsApp with trigger-based sequences
- **Sales Pipelines** - Visualize and manage every deal stage with intelligent routing
- **Funnel & Landing Page Builder** - High-converting pages built for your industry
- **Appointment Scheduling** - Automated booking, confirmations, and reminders
- **Reputation Management** - Automated review requests to build social proof
- **White-Label Features** - Launch your own branded CRM software business
- **AI Voice Agents** - 24/7 automated inbound and outbound voice support

Built for the Way Modern Businesses Grow

Unlike traditional CRM platforms that require multiple integrations and technical overhead, OneBizGrowth is plug-and-play from day one. Businesses can migrate their existing pipelines and contacts with full managed setup support from the OneBizGrowth team.

"Most businesses don't stall because of bad products - they stall because of broken systems," said a spokesperson for OneBizGrowth. "We built this platform to remove every operational roadblock so businesses can focus on growth, not admin work."

OneBizGrowth offers deeper engineering support, direct access to the technical team, and a streamlined onboarding experience for agencies and businesses looking to scale their operations without the complexity of managing multiple tools.

Pricing & Availability

OneBizGrowth is available now with a free trial for new users. Managed CRM setup, white-label options, and custom enterprise plans are also available.
