

## America's Best In Medicine: Andrew H. Cushing, MD, Internist Brings Compassionate, Community-Focused Care Bridgeport

Advancing Preventive Medicine and Expands Access to Quality Healthcare for Underserved Populations

**Bridgeport, Connecticut Apr 8, 2026 ([Issuewire.com](https://www.Issuewire.com))** - Andrew H. Cushing, MD, is a board-certified internist dedicated to delivering comprehensive, patient-centered care across a wide spectrum of healthcare settings, including acute hospital care, outpatient chronic disease management, and preventive medicine. Currently practicing community-focused primary care in Bridgeport, Connecticut,

Dr. Cushing serves diverse and often underserved populations, emphasizing accessibility, continuity of care, and long-term health outcomes.

Driven by a commitment to improving patients' quality of life, Dr. Cushing focuses on helping individuals effectively manage chronic conditions while adopting preventive strategies that support sustainable, healthier lifestyles. "I enjoy helping my patients and supporting them through their health journeys by providing care that is thoughtful, compassionate, and focused on improving their quality of life," he said.

Dr. Cushing earned his Bachelor's Degree in Biology from the University of Delaware, where his studies in human physiology and ecology sparked a lasting interest in the connection between environment and health. He went on to receive his medical degree from the American University of Antigua College of Medicine and completed his internal medicine residency at Medical City Arlington with HCA Healthcare. During his residency, he developed broad clinical expertise in both inpatient and outpatient settings and contributed to the establishment of a resident-managed clinic aimed at expanding healthcare access through hospital and community referrals.

Guided by a compassionate and community-oriented philosophy, Dr. Cushing is dedicated to advancing preventive care and integrative wellness. He envisions building collaborative healthcare environments that combine modern medicine with patient education, community resources, and interdisciplinary partnerships.

Through his clinical practice and future initiatives, Dr. Andrew H. Cushing remains committed to improving healthcare accessibility, strengthening patient relationships, and fostering healthier communities throughout the Bridgeport area.
