

America's Best in Medicine: Guillermo Jordan Diaz, MD , Celebrates 50 Years of Excellence in Orthopedic Surgery

Veteran Surgeon and Vietnam Flight Surgeon Continues to Advance Patient Care in Puerto Rico

Bayamon, Puerto Rico Apr 28, 2026 ([IssueWire.com](https://www.issuewire.com)) - Guillermo Jordan Diaz, MD, is marking an extraordinary milestone in 2026: 50 years as a practicing orthopedic surgeon. With a career spanning more than five decades, Dr. Jordan Diaz has built a legacy defined by surgical precision, compassionate care, and an enduring commitment to restoring mobility and improving quality of life for his patients.

Dr. Jordan Diaz earned his Medical Degree from the University of Puerto Rico School of Medicine in 1965, followed by an internship and orthopedic residency at the Puerto Rico Medical Center, where he also completed fellowship training in trauma. His extensive training laid the foundation for a

distinguished career dedicated to musculoskeletal health and surgical excellence.

Before specializing in orthopedics, Dr. Jordan Diaz served his country as a flight surgeon during the Vietnam War. Combining his passion for aviation with medicine, he flew 106 combat missions, gaining invaluable experience in high-pressure, life-critical situations. Although he initially aspired to become a pilot, vision requirements led him to a different path—one that ultimately shaped his disciplined, focused approach to patient care. These formative experiences continue to influence his calm demeanor and clinical decision-making in the operating room.

Dr. Jordan Diaz's dedication to medicine was inspired early in life by his father, whose compassionate work with individuals with disabilities at a Vocational Rehabilitation Agency left a lasting impression. That commitment to service remains central to his professional philosophy today.

Currently practicing at Hospital Auxilio San Pablo in San Juan, Puerto Rico, Dr. Jordan Diaz specializes in hip and knee surgery. He previously served as Chief of Orthopedic Service at the hospital and remains board-certified in arthroscopy and microscopic surgery. In addition, he is an active member of the Puerto Rico Society of Orthopedic Surgery and the American Academy of Orthopedic Surgeons.

As he celebrates this remarkable 50-year milestone, Dr. Guillermo Jordan Diaz continues to exemplify leadership, expertise, and a lifelong dedication to healing—making a lasting impact on generations of patients and the field of orthopedic surgery.
