

## America's Best in Medicine Profiles Enjay Griggs: A Pillar of Pharmacy Excellence in Greater Pittsburgh Region

Celebrating Over Two Decades of Commitment to Patient Care and Operational Efficiency

**Pittsburgh, Pennsylvania Apr 9, 2026** ([Issuewire.com](http://Issuewire.com)) - Greater Pittsburgh Region — Enjay Griggs, a highly experienced and dedicated pharmacist with over two decades of professional experience, continues to make a significant impact in community healthcare through his role as a Staff Pharmacist at

CVS.

Griggs has built a distinguished career across major pharmacy organizations, including Rite Aid, CVS Caremark, and various healthcare staffing partners. Most recently, he served as a Floater Pharmacist with Rite Aid from February 2023 to August 2025, where he supported operations across 26 locations in Pittsburgh and the surrounding areas. In this role, he ensured the accuracy of prescription data and medication dispensing for hundreds of patients daily, supervised pharmacy technicians and interns, and collaborated closely with fellow pharmacists to maintain high standards of care.

A key highlight of Griggs' career is his extensive experience in immunizations. He has administered a wide range of vaccines—including COVID-19, influenza, shingles, RSV, and more—often at a high volume. In one notable instance, he delivered 50 immunizations in a single shift, demonstrating both efficiency and commitment to public health.

Throughout his career, Griggs has consistently prioritized patient education and safety. His experience includes counseling patients on prescription and over-the-counter medications, conducting drug utilization reviews, and working with physicians to ensure optimal medication therapies—particularly for elderly populations. During his tenure at CVS Caremark, he played a vital role in promoting medication adherence and helping patients secure insurance coverage for necessary treatments.

Griggs' leadership abilities were recognized early in his career when he was promoted to Pharmacy Manager at Rite Aid, where he oversaw pharmacy operations, managed inventory and compliance processes, and mentored pharmacy students. He has also earned recognition for his compassionate care, particularly in assisting disabled patients and building strong, trusting relationships with those he serves.

He holds a Bachelor of Pharmacy (BPharm) from Duquesne University School of Pharmacy.

With a reputation for attention to detail, strong problem-solving skills, and the ability to perform under pressure, Griggs remains committed to advancing patient care and supporting the evolving needs of the healthcare community.
