

America's Best In Medicine Profiles Sacha V. Patel, MSN, APRN, FNP-C: Compassionate Pediatric GI Care In Shreveport, LA

Dedicated Family Nurse Practitioner Combines Clinical Expertise, Education, and Preventive Care to Support Children and Families

Shreveport, Louisiana Apr 22, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Sacha V. Patel, MSN, APRN, FNP-C, is a dedicated Family Nurse Practitioner specializing in pediatric gastroenterology in Shreveport, Louisiana. Through her work at the WK Center for Pediatric Gastroenterology, she provides compassionate, patient-centered care for children facing a wide range of gastrointestinal conditions, including constipation, reflux, abdominal pain, and other digestive concerns. Her mission is to help young patients achieve lasting health through early intervention, practical lifestyle changes, and family education.

With a strong belief that healthcare begins with listening, Patel has built her practice around meaningful patient connections and collaborative care. She takes time to understand each child's symptoms, daily habits, and family dynamics, allowing her to create personalized treatment plans that address both immediate concerns and long-term wellness. By focusing on prevention and healthy routines, she empowers families to actively participate in their child's care and reduce the risk of chronic disease later in life.

Born in Birmingham, England, Patel moved to the United States at the age of eight and was raised in Waco, Texas. Her passion for nursing began early, shaped by her experiences helping care for family members. Those formative moments inspired a lifelong commitment to restoring health and improving quality of life for others.

Patel began her nursing career in 2010 as a Licensed Vocational Nurse (LPN). Driven by a desire to expand her knowledge and impact, she advanced to become a Registered Nurse (RN) and later earned her Master of Science in Nursing from Herzing University in 2023. She is nationally certified as a Family Nurse Practitioner (FNP-C) through the American Academy of Nurse Practitioners.

Today, Patel brings 15 years of diverse clinical experience to her role, combining evidence-based medicine with a warm, approachable style that helps children feel comfortable and heard. She believes education is one of the most powerful tools in healthcare and makes it a priority to explain conditions and treatment plans in ways children and parents can understand.

"I truly enjoy connecting with my patients and supporting them through their health journeys," Patel said. "Every day brings new challenges and opportunities to learn, which keeps me engaged and inspired in my practice."

In addition to her clinical work, Patel remains active in the nursing profession and broader healthcare community. She is a member of the American Association of Nurse Practitioners (AANP) and the Sigma Theta Tau International Honor Society of Nursing. Her continued involvement reflects her dedication to advocacy, professional excellence, and expanding access to high-quality pediatric care.

Outside of work, Patel is a devoted mother of two who values family time, creativity, and travel. She enjoys nurturing her children, exploring new places, and embracing artistic and cultural experiences that enrich both her personal and professional life.

Guided by compassion, empathy, and a deep respect for patient education, Sacha V. Patel continues to make a meaningful difference in the lives of children and families throughout the Shreveport community.
