

America's Best In Medicine Profiles Thuy Hanh Trinh, MD, MBA: Houston-Based Physician Delivering Compassionate Care

Combining Expertise in Family Medicine, Geriatrics, and Hospice Care to Support Patients and Families at Every Stage

Houston, Texas Apr 14, 2026 ([Issuewire.com](https://www.issuewire.com)) - Thuy Hanh Trinh, MD, MBA, is a highly experienced physician dedicated to providing compassionate, patient-centered care across the full spectrum of

health and illness. With more than 23 years of experience in family medicine, geriatrics, and hospice and palliative care, Dr. Trinh serves as a contracted physician with Houston Hospice, a role she has held since 2007, while also working per diem at Kelsey-Seybold Clinic to maintain her primary care expertise.

Dr. Trinh's clinical philosophy centers on delivering comprehensive care that meets patients wherever they are in their healthcare journey. She supports individuals managing chronic conditions with curative goals, while also providing comfort-focused care for those facing serious or terminal illness. Her approach emphasizes clear communication, thoughtful guidance on goals of care, and practical management of symptoms and complex wound needs. By prioritizing both patients and their families, she ensures a holistic and supportive care experience.

Her commitment to excellence is reflected in her certifications from the Hospice Medical Director Certification Board® and the National Alliance of Wound Care & Ostomy®. She is also a Fellow of the American Academy of Family Physicians (FAAFP) and a Fellow of the American Academy of Hospice and Palliative Medicine (FAAHPM), and holds wound care certification (WCC). Dr. Trinh's ability to navigate complex medical situations with empathy and precision has made her a trusted provider among patients, families, and colleagues alike.

Dr. Trinh's strong academic foundation includes a Bachelor of Science in Biomedical/Medical Engineering from Boston University College of Engineering and a Doctor of Medicine from LSU Health New Orleans School of Medicine. She completed her family medicine residency and a geriatrics fellowship at Baylor College of Medicine, followed by specialized training in hospice and palliative medicine at MD Anderson Cancer Center. Further enhancing her leadership and innovation capabilities, she earned an MBA from the University of Houston and completed an executive education program in Artificial Intelligence in Healthcare at MIT Sloan in November 2025.

Inspired by her parents' resilience and their advice to "learn what you can when you can," Dr. Trinh embraces lifelong learning as a cornerstone of her career. This philosophy continues to guide her work as she integrates clinical excellence, compassion, and innovation to elevate care for patients and families across all stages of life.
