

America's Best In Medicine Spotlights Dr. John Phillip Andrawis Advancing Hip And Knee Replacement Care

Torrance Memorial Hospital's Chief of Orthopedic Surgery Focuses on Quality of Life Through Innovative Joint Replacement Techniques

Torrance, California Apr 7, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Dr. John Phillip Andrawis, MD, MBA, a leading orthopedic surgeon specializing in hip and knee replacement surgery, continues to make significant strides in the field of orthopedic medicine at Torrance Memorial Hospital. As the Chief of Orthopedic

Surgery and Medical Director of the Orthopedic Surgery Service Line, Dr. Andrawis is dedicated to enhancing patient outcomes through a compassionate, multidisciplinary approach.

Since joining Torrance Memorial in 2018, Dr. Andrawis has been pivotal in advancing orthopedic programs that prioritize patient-centered care and value-based healthcare initiatives. His commitment to improving the quality of life for patients undergoing joint replacement procedures is evident in his collaborative work with surgical teams, physical therapists, and other healthcare providers. “What I enjoy most about practicing medicine is that it truly is the best job in the world,” explains Dr. Andrawis. “I take great satisfaction in improving my patients’ quality of life and seeing the direct, tangible results of the care I provide.”

In addition to his clinical and administrative responsibilities, Dr. Andrawis plays an integral role in medical education at Harbor-UCLA Medical Center, where he directs resident research and contributes to faculty education. His dual focus on teaching and clinical excellence ensures that the next generation of orthopedic surgeons is well-prepared to meet the challenges of modern healthcare.

Dr. Andrawis holds an MBA and is recognized as a Fellow of both the American Academy of Orthopaedic Surgeons (AAOS) and the American Association of Hip and Knee Surgeons (AAHKS). His expertise extends beyond the operating room, as he actively participates in research and publications aimed at improving joint replacement outcomes. As a reviewer for *Clinical Orthopaedics and Related Research*, Dr. Andrawis is committed to advancing the field of orthopedics through rigorous analysis and innovative research.

With a medical degree from the University of Chicago Pritzker School of Medicine and extensive training at Harbor-UCLA Medical Center and the University of Texas at Austin, Dr. Andrawis combines academic knowledge with practical experience to deliver exceptional patient care.

As he continues to lead and inspire in the field of orthopedic surgery, Dr. Andrawis remains dedicated to fostering a culture of safety, innovation, and excellence at Torrance Memorial Hospital, ensuring that every patient receives the highest standard of care.
