Guangdong, China May 26, 2026 (Issuewire.com) - ASEAN RHVAC & Cleanroom Industry Expo (ARHC 2027)

Date: March 17-19, 2027

Venue: IMPACT Exhibition Centre, Bangkok, Thailand

ABOUT THE EVENT

ARHC 2027 will take place on March 17–19 at IMPACT Exhibition Centre in Bangkok, Thailand. Supported by the Thailand Convention and Exhibition Bureau (TCEB) and a distinguished network of over 100 leading international and regional trade associations—including the Council of Engineers, Thailand (COE), Malaysian Air-Conditioning & Refrigeration Association (MACRA), Contamination Control Society (CCS), Institute of Environmental Sciences and Technology (IEST), Thai Air-Conditioning Traders Association (TATA), Indoor Air Quality Association Thailand (IAQ) and Air Movement and Control Association (AMCA) —ARHC is positioned as ASEAN's largest and most influential HVACR and cleanroom exhibition.

Featured exhibitors include:

Carrier, Daikin, Gree, Midea, Haier, Hisense, AAF International, Bry-Air, Sanyo Denki, TROX, Nicotra Gebhardt, 3AC, EverCool, Thai Sekisui Foam, AGF, Huakang, NAPA, TN Group, World Cool, Aoma, Changsheng, Futai, KLC, Seemtek, Teren, Snyli, Long Long, Greendii, AAE, A.D.D, SCCE, Skill Development, Takamura, Kaidi, HIRA, Lairun, Kaiser, and Kriwan, and many more top-tier companies from across the region.

Building on the tremendous success of the 2026 edition, ARHC 2027 will showcase advanced HVACR technologies, air purification solutions, and energy-efficient innovations. As Southeast Asia undergoes rapid urbanization and industrial upgrades, ARHC continues to serve as the region's premier platform for industry collaboration and cross-border procurement, bringing together a diverse lineup of global leaders to meet the market's evolving demands.

Call for VIP Speakers

The ASEAN RHVAC & Cleanroom Summit 2026 edition featured distinguished speakers from Indoor Air Quality Association Thailand, Air Movement and Control Association, Contamination Control Society, Thai IoT association, Malaysian Air-Conditioning & Refrigeration Association and many others.

The 2027 Summit will further elevate the industry dialogue, bringing together an even more impressive lineup of global experts, industry leaders, and association representatives to discuss critical developments, including:

- Future Air Quality and Environmental Protection
- Energy-Saving Technologies and Green Solutions
- Cleanroom Standards and Innovations
- Regional Market Opportunities and Challenges
- Digital Transformation and IoT in HVACR & Cleanroom Systems

This is a must-attend event for anyone seeking valuable market insights, direct access to decision-makers, and new business opportunities across ASEAN and beyond. Join ARHC 2027 and be part of one of the world's most dynamic HVACR and cleanroom markets.

In addition to ARHC 2027 in Bangkok, industry stakeholders are also warmly invited to extend their engagement across the broader Asia-Pacific platform, including the **Asia-Pacific Cleanroom Technology & Equipment Exhibition (APCTEE)** and the **17th Asia-Pacific Refrigeration, Air-Conditioning, Ventilation & Air-Purifying Expo (AVAI CHINA) coming on Sept 16-18, Guangzhou, China**. These two leading exhibitions further complement ARHC by covering the full spectrum of cleanroom technologies, refrigeration systems, HVACR solutions, and air purification innovations, providing an expanded gateway for regional collaboration, technology exchange, and cross-border procurement opportunities across the Asia-Pacific market.
