

Author Meagan Hobbs Inspires Readers with Four Faith-Based Books Exploring God's Creation

Houston, Texas Apr 7, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Author Meagan Hobbs has released four inspiring books that explore faith, nature, and a Biblical understanding of the world. All four titles are now available on Amazon, offering readers a meaningful perspective on devotion, horticulture, wildlife, and animal science through a Biblical worldview.

About the Books:

Her first title, “Homestead Devotional,” presents a collection of faith-centered reflections that encourage readers to connect daily life with spiritual growth. The book invites readers to slow down, reflect on God’s presence, and find inspiration through the simple moments of everyday living.

In “God’s Creation: Horticulture from a Biblical Worldview,” Hobbs explores the beauty and purpose of plant life. The book highlights how horticulture reflects the design and balance of nature while connecting gardening and plant science with Biblical teachings.

Her third book, “God’s Creatures: North American Wildlife: from a Biblical Worldview,” introduces readers to the diverse wildlife found across North America. Through a faith-based lens, the book encourages readers to appreciate the complexity and wonder of animals as part of God’s creation.

Completing the collection, “God’s Creatures Farm Edition: Animal Science from a Biblical Worldview,” focuses on farm animals and agricultural life, presenting animal science alongside Biblical principles of stewardship and responsibility.

Together, these four books present a thoughtful blend of faith, education, and appreciation for the natural world.

About the Author:

Meagan Hobbs is a faith-driven writer who is passionate about connecting Biblical teachings with the beauty and purpose of the natural world. Through her work, she encourages readers to explore topics such as homesteading, horticulture, wildlife, and animal science from a Biblical worldview. Hobbs aims to inspire families, students, and faith-based communities to appreciate God’s creation while strengthening their spiritual understanding and knowledge of the world around them. Her books combine education, devotion, and reflection, offering readers meaningful insights that highlight the harmony between faith, nature, and everyday life.
