

Best Tree Expert Company in Anne Arundel County Maryland

FREE estimates, licensed and insured. Arundel Tree Service is the answer to all your tree care needs.

Pasadena, Maryland Apr 28, 2026 ([IssueWire.com](https://www.issuewire.com)) - Arundel Tree Service, a family-owned and fully licensed tree care company based in Pasadena Md, has been serving the Anne Arundel and Howard County, Maryland areas for over 30 years. Full-service tree care company offering trimming, spider lift service, stump grinding, crane services, and 24-hour emergency service. Our service areas include Annapolis, Arnold, Gambrills, Pasadena, Elkridge, Columbia, Catonsville, Lake Shore, Ellicott City,

Jessup, and Fort Meade.

This company's continued growth comes as demand for professional, insured tree care rises steadily across central Maryland, especially following storm seasons that leave homeowners and commercial property managers in urgent need of qualified help. Arundel Tree Service answers that demand with Maryland Licensed Tree Experts on staff and the heavy equipment needed for jobs of any size and complexity. Our equipment, our crews, no subcontractors, no rental equipment.

Every newly covered community gets full access to the services the company has built its name on in Anne Arundel County, including stump grinding, tree pruning, storm damage clean up and crane-assisted removals. Free estimates are available for all residential and commercial clients. Current and future clients can expect the same standard of work that has been provided for decades.
