

Break the Illusion and Reclaim Your Purpose: A Bold Spiritual Awakening Through Truth, Faith, and Inner Power

Houston, Texas Apr 19, 2026 (Issuewire.com) - Now available on Amazon, God, Demons, And The Meaning Of Life by Richard Lansing is not just a book it's a wake-up call. Published on July 7, 2025, this powerful work blends raw honesty with spiritual depth, challenging readers to question reality, reconnect with God, and discover the purpose already living within them.

About the book:

This book speaks directly to a generation that feels disconnected, overwhelmed, and searching for something real. Lansing shares a journey that is messy, emotional, and deeply human filled with confusion, pain, growth, and ultimately, awakening. He explores the idea that life is more than what we see, pushing readers to look beyond the “matrix” of everyday existence and tap into a higher truth. Through powerful reflections, he shows how struggles aren’t setbacks but signals guiding us closer to God. The balance of darkness and light within us becomes a central theme, reminding readers that awareness is the first step toward transformation. It’s not about perfection it’s about awakening, aligning, and stepping into who you were created to be.

About the Author:

Richard Lansing delivers a voice that feels real, relatable, and unapologetically honest. In *God, Demons, And The Meaning Of Life*, he offers both a story and a guide one that encourages readers to stop drifting and start seeking. His message is clear: your connection to God is already there, you just have to unlock it.
