

bTrade TDXchange Crowned Champion for the 4th Year in a Row!

Info-Tech Research Group Names bTrade the 2026 Enterprise and Mid-Market Managed File Transfer Champion in Both the Data Quadrant and Emotional Footprint

Dallas, Texas Apr 9, 2026 ([IssueWire.com](https://www.issuewire.com)) - Global research and advisory firm Info-Tech Research Group has named **bTrade** a Champion in its **2026 Enterprise and Mid-Market Managed File Transfer (MFT) category for both the Data Quadrant and Emotional Footprint**.

The ranking is based on verified feedback from real IT and business professionals on the firm's SoftwareReviews platform, the industry's leading software evaluation site.

bTrade's award-winning platform, TDXchange, delivers enterprise-grade, quantum-safe managed file transfer with Zero Trust security, seamless hybrid-cloud integrations, and effortless B2B data exchange across EDI, finance, ERP, and major cloud environments.

bTrade is a secure managed file transfer (MFT) service provider that has delivered its scalable TDXchange platform—supporting secure B2B data exchange across EDI, finance, ERP, and other industries—for over 150,000 customers worldwide since 1990.

TDXchange earned its fourth consecutive Champion title through groundbreaking features including post-quantum cryptography (Frodo and Kyber algorithms), native support for AS2, SFTP, and HTTPS, automated workflows, and compliance with HIPAA, GDPR, SOX, and more. The lightweight, user-friendly solution requires minimal upkeep while delivering top-tier performance.

Customers praised its **intuitive UI**, rapid implementation, and future-proof protection, resulting in standout scores:

- **Ease of use: 90/100**
- **Performance: 96/100**
- **Customer experience: 9.1/10**
- **Likelihood to recommend: 95%**
- **Net Emotional Footprint: +97** (perfect score across Enterprise and Mid-Market)

"We are incredibly honored to be named Champion for the fourth consecutive year in both the Enterprise and Mid-Market Managed File Transfer categories for Data Quadrant and Emotional Footprint," said **Hanz Jorgensen, Chief Operating Officer at bTrade**. "This recognition from SoftwareReviews

validates the relentless innovation behind TDXchange, our quantum safe, Zero Trust managed file transfer platform, and the exceptional experience we deliver to customers every day. It reinforces our commitment to providing secure, scalable, and effortless B2B data exchange that truly sets the standard in the industry.”
