

## CjUjjwal Releases IDGAF with Kristina Steff, Announces 1090 & Killdare

With over 600M and 450M Instagram reel views on previous tracks and 1.60M YouTube Music listeners, the independent artist continues his global rise

Sultanpur, Uttar Pradesh Apr 29, 2026 ([IssueWire.com](http://IssueWire.com)) - Independent artist CjUjjwal has officially released his latest single “[IDGAF](#),” featuring US-based artist Kristina Steff. The release marks another step in his growing digital presence and global reach.

[CjUjjwal](#) has previously achieved massive engagement across platforms, with his track “[Love & War](#)” generating over **600 million views on Instagram reels**, while “Only You” has crossed 450+ million views, reflecting strong audience connection and viral appeal.

In addition, the artist currently holds over 1.60 million monthly listeners on YouTube Music, further establishing his position as a rising independent artist.

“[IDGAF](#)” continues this momentum with its bold and confident tone, supported by an international collaboration that expands its global appeal.

[IDGAF](#) is not just a song, it’s a mindset. I’m not here to follow trends — I’m here to create my own lane, and what’s coming next will be even more raw and unapologetic,” said CjUjjwal.

Building on this release, the artist has also announced two upcoming tracks — “1090” and “Killdare” — both rooted in Punjabi hip-hop. These tracks are expected to explore a more raw, intense, and high-energy sound.

**Ujjwal Srivastava, also known as CjUjjwal**, is a young entrepreneur born on **October 3, 2002**, in Sultanpur, Uttar Pradesh. Known for blending global sounds with strong digital reach, he continues to build his presence across platforms.
