kolkata, West bengal Apr 8, 2026 (Issuewire.com) - CLATapult, Kolkata's leading CLAT coaching institute, has once again cemented its position as the finest [law entrance coaching centre in West Bengal and Eastern India](#). For the eleventh year in a row, CLATapult has produced the best CLAT results in West Bengal, a milestone that no other coaching institute in the region has come close to

matching. Since its founding in 2012, over 600 students from CLATapult's Kolkata centres have secured admission to the country's top law colleges, making it the most trusted name in CLAT preparation in Eastern India.

A Legacy of West Bengal's Best: 11 Years of Unbroken Dominance

CLATapult's record of producing West Bengal's top rankers in CLAT stretches back over a decade. The institute has been home to West Bengal Rank 1 holders across multiple years, including in 2016 and 2017, a consistency that reflects not a single fortunate cycle, but a sustained system of coaching, mentorship, and preparation excellence.

What sets CLATapult apart from other coaching institutions is that it was founded and continues to be run by graduates of the West Bengal National University of Juridical Sciences (WBNUJS). These are individuals who have sat in the same chair as their students, cracked the same exam, and gone on to build careers in law. They do not teach CLAT as a business. They teach it because they understand it from the inside.

Among CLATapult's most celebrated results are Ameya Deb, who secured AIR 8 and WB Rank 1; Arunav Ghosh, who achieved AIR 40 and WB Rank 1; and Sanyam Jha, who earned AIR 43 and WB Rank 1. These figures represent some of the highest scores ever recorded by students from West Bengal in the history of CLAT, and every single one of them came out of CLATapult.

Outstanding Recent Results Across CLAT and AILET

CLATapult's recent batches have continued the tradition of excellence with remarkable consistency. In CLAT 2024, the institute achieved what is arguably its most impressive single-year outcome, with over 22 students securing admission to the top three National Law Universities in the country. This is not a figure that any other coaching institute in Eastern India has matched or come close to in recent years.

The ranks from these recent cycles speak for themselves. In CLAT 2024 alone, students from CLATapult secured AIR 46, AIR 114, AIR 117, and AIR 124. In AILET 2024, a CLATapult student secured AIR 35, a result that underscores the fact that CLATapult's preparation goes well beyond CLAT and equips students to perform across all major law entrance examinations in the country.

The CLAT 2025 cycle added yet another highlight to this record, with a student securing AIR 23, one of the highest ranks CLATapult Kolkata has ever produced. AIR 216 in CLAT 2025 was another strong result from the same batch. Taken together, the WB Rank 1 holders with AIR 8, AIR 40, and AIR 43 alongside these recent ranks paint a picture of an institute that delivers at every level, from the very top of the national rankings to consistent top-200 and top-500 performances year after year.

CLAT 2026: Continuing the Streak

In the most recently concluded CLAT 2026 cycle, CLATapult Kolkata once again delivered exceptional outcomes. Over 15 students from the institute secured seats in top-tier NLUs, including WBNUJS Kolkata and NALSAR Hyderabad, two of the most coveted National Law Universities in India.

Key placements from the 2026 batch include Sreyasee Nag, Baibhav Das, and Rohit Kumar Sarkar, all of whom secured admission to WBNUJS. Securing a seat at WBNUJS is particularly significant given that the university admits students only from the very top percentile of CLAT rankings nationally, and having multiple students from a single batch gain admission there reflects the depth of quality that

CLATapult brings to its preparation.

600+ Admissions from Kolkata Since 2012

Since CLATapult opened its doors in Kolkata in 2012, over 600 students from its city centres have gone on to secure admission in top law colleges across India. This number is a testament not just to the quality of CLATapult's coaching, but to the depth of commitment the institute has maintained toward students in Kolkata and West Bengal year after year, batch after batch.

CLATapult currently operates from two centres in Kolkata, in Gariahat in South Kolkata and in [Ultadanga near Salt Lake](#), in addition to a centre in Bhubaneswar. The institute offers full classroom programmes, online coaching, and a correspondence course, ensuring that its preparation ecosystem is accessible to students from across geographies and backgrounds.

"Eleven years of West Bengal's best results is not an accident. It is the product of a team that has lived CLAT, breathed law, and committed itself entirely to each student's success. Every rank on our wall represents a young person whose life has been transformed, and that is what drives us, year after year." — Spokesperson, CLATapult Kolkata
