Phoenix, Arizona Apr 23, 2026 ([IssueWire.com](http://www.IssueWire.com)) - Dramatic Classic and Modern Hearses Roll Out Nationwide for Film, TV, Commercials, Weddings, Proms & Unforgettable Events

USA Movie Cars is shifting the entertainment industry into high gear with the launch of **RentAHearse.com** — a bold, specialized platform dedicated to delivering show-stopping, camera-ready hearses to creators and event planners across the country.

From sleek vintage beauties to sleek modern models, RentAHearse.com offers a carefully curated fleet of authentic hearses complete with coffin compartments, rich interiors, dramatic styling, and all the atmospheric details that make scenes (and events) impossible to forget. Vehicles are available in all 50 U.S. states, with select options in Canada and the UK.

“The hearse isn’t just a vehicle — it’s a character,” said Rob Rutledge, Picture Car Coordinator at USA Movie Cars. “Whether you’re shooting a gripping funeral scene, a horror masterpiece, a stylish wedding exit, or a prom night to remember, RentAHearse.com gives you the perfect rolling presence that instantly elevates the moment.”

Standout Features of RentAHearse.com:

- Wide variety of classic, vintage, and contemporary hearses
- Hearse-style SUVs and specialty vehicles
- Production-ready details including realistic interiors and cinematic styling
- High-resolution photos, full specs, and easy online booking
- Nationwide availability with fast nationwide delivery support
- Completely free vehicle listing program for hearse owners

RentAHearse.com is the newest star in USA Movie Cars’ growing lineup of niche platforms, joining CopCarRental.com and RentAnAmbulance.com to offer unmatched access to specialty picture vehicles.

Hearse owners are warmly invited to list their vehicles at no cost and tap into exciting paid opportunities in film, television, advertising, and live events.
