

## Dental Health Group Now Welcoming New Patients in Bonney Lake and Surrounding Communities

**Auburn, Washington May 11, 2026 ([Issuewire.com](http://Issuewire.com))** - *Bonney Lake's judgment-free, family-centered dental practice offers gentle, comprehensive care for patients of all ages*

Dental Health Group, a full-service dental practice located in Bonney Lake, Washington, is welcoming new patients from across the region. The announcement reflects the practice's ongoing commitment to

delivering transparent, personalized dental care in a welcoming and anxiety-free environment for individuals and families of all ages.

## About Dental Health Group

Dental Health Group is led by Dr. Shahi and Dr. Ni, and is located at 20639 WA-410 E, Bonney Lake, WA. The practice was founded on a shared vision of changing the way patients experience dental care.

Having observed how dental anxiety prevents many people from seeking the care they need, Dr. Shahi and Dr. Ni established a practice built on transparency, honesty, and respect, a judgment-free space where every patient feels heard, comfortable, and valued. The team is proud to serve patients who speak English, Spanish, Mandarin, Punjabi, and Hindi.

## What New Patients Can Expect

Patients who choose Dental Health Group as their dental home will have access to the following:

**Gentle, Judgment-Free Care:** The practice is designed with anxious patients in mind. Dr. Shahi and Dr. Ni take a patient-centered approach, prioritizing comfort, clear communication, and respect throughout every visit. Patients are never made to feel judged about the current state of their oral health.

**Comprehensive Services for Kids and Adults:** Dental Health Group offers a full range of dental services for both children and adults under one roof. From a child's first dental visit to complex restorative and cosmetic procedures for adults, the practice is equipped to support oral health at every stage of life.

**Multilingual Support:** The team speaks Spanish, Mandarin, Punjabi, and Hindi, ensuring patients from diverse backgrounds can communicate comfortably and confidently during their visits.

**Flexible Appointment Hours:** The practice offers extended hours on Tuesdays and Thursdays until 6pm, early morning appointments on Wednesdays and Fridays from 7am, and select Monday and Saturday availability, making it easier for working individuals and families to access care.

**Loyalty Program and Insurance Support:** [Dental Health Group](#) offers a patient loyalty program and accepts a range of insurance plans. The team is available to assist patients in understanding their coverage and payment options.

## Services Available to New Patients

Dental Health Group currently provides the following services to patients in Bonney Lake and surrounding communities:

**Preventive Dentistry:** Routine cleanings, exams, and preventive treatments to support long-term oral health for the whole family.

**Kids Dentistry:** Gentle, age-appropriate dental care for children in a warm and welcoming environment.

**Family Dentistry:** Comprehensive care for every member of the family, from toddlers to seniors, all in one convenient location.

**Cosmetic Dentistry:** A full suite of smile-enhancing services including teeth whitening, dental veneers, dental bonding, Icon White Spot Treatment, and complete cosmetic makeovers. The focus is on longevity and uncovering the best version of each patient's smile.

**Invisalign:** The leading clear aligner therapy for correcting a range of alignment concerns without traditional metal braces. Complimentary consultations are available to help patients assess whether Invisalign is right for them.

**Myoaligner and Myofunctional Therapy:** Specialized orthodontic and functional therapy options designed to address underlying airway and bite concerns in both children and adults.

**Airway Dentistry:** Assessment and treatment of airway-related concerns that can affect sleep, breathing, and overall wellbeing.

**Restorative Dentistry:** Dental fillings, crowns, bridges, dentures, and tooth extractions to restore function and appearance to damaged or missing teeth.

**Dental Implants:** A long-term, natural-looking solution for missing or broken teeth. Implants support bone preservation and are assessed individually based on each patient's clinical needs.

**Botox Therapy:** Therapeutic Botox for TMJ and TMD relief, as well as aesthetic applications including reduction of fine lines, wrinkles, and facial contouring. Administered by Dr. Shahi and Dr. Ni, who are experienced in injection therapy.

**Night Guards:** Custom-fitted night guards for patients who grind or clench their teeth, helping protect their smile during sleep.

**TMJ and TMD Treatment:** Targeted care for patients experiencing jaw pain, discomfort, or dysfunction related to the temporomandibular joint.

**Emergency Dentistry:** Prompt care for urgent dental concerns, with the team available to assist patients when they need it most.

## **Meet the Doctors Behind Bonney Lake's Most Trusted Dental Practice**

After working across multiple dental offices, Dr. Shahi and Dr. Ni recognized a gap in the way dental anxiety was handled in traditional practice settings. They founded Dental Health Group with a clear mission: to create a practice that is transparent, relaxed, and genuinely patient-centered.

Their approach prioritizes patient preferences, honest communication about procedures and costs, and high-quality clinical outcomes. The result is a practice where patients who have previously avoided the dentist feel safe, respected, and motivated to return.
