

Disability Law Group to Host 8th Annual Free Legal Aid and Resource Fair on May 15 at Troy Community Center

Free legal consultations, community resources, health screenings, and hygiene kits offered at no cost

Troy, Michigan Apr 9, 2026 (Issuewire.com) - Disability Law Group will host its **8th Annual Free Legal Aid and Resource Fair** on **Friday, May 15, 2026**, from **10:00 a.m. to 2:00 p.m.** at the **Troy Community Center** (3179 Livernois Rd, Troy, MI 48083). The fair is free and open to the public and is expected to welcome more than 300 attendees, providing an accessible way for individuals and families to connect with attorneys and community organizations. [Registration is required](#) to help plan for attendance and services, but no appointments are needed.

This annual event is designed to remove barriers to support by bringing trusted legal guidance and community resources together under one roof. Disability Law Group believes its work does not end in the courtroom. The firm takes pride in showing up for the community through service, partnerships, and practical resources that help individuals and families move forward.

“Our Free Legal Aid Resource Fair, now in its eighth year, is a true reflection of our firm’s mission in action. What began as a grassroots effort has grown into a meaningful annual event that brings together our team, local attorneys, and the community to make a real impact.”

From the start, our firm was built on a simple belief: we are here to improve lives—not just for our clients and our team, but for our community as a whole. This event brings that purpose to life by connecting individuals and families with critical resources while giving our team the opportunity to serve in a hands-on, impactful way.

More than just an event, our Free Legal Aid & Resource Fair represents who we are—bringing people together to support, uplift, and create lasting change.” – Erika A. Riggs, Partner and Attorney at Disability Law Group

Free and Accessible Legal Help

Attendees will have access to brief consultations and guidance from participating law firms and legal organizations. The following law firms will be in attendance, most of which will be offering free consultations with no appointments required: [Disability Law Group](#) (disability law and veterans benefits), [Michigan Accident Attorneys](#) (personal injury law), Simasko Law and Bosler Law Office, PLLC (estate planning and probate), Kaluzny and Kaluzny (criminal defense and family law), Lakeshore Legal Aid (civil legal aid and referrals), Sommers Schwartz, PC (employment law), Berman and Kaufman, PC (workers' compensation), Law Offices of Gabriel V. Triculescu, PLC (immigration law), and Legal Advocacy for People with Cancer (life planning and public benefits guidance).

Community Resources and More

In addition to legal help, attendees can access even more free services and support, including:

- Free health screenings provided by Trinity Community Care
- Free haircuts provided by Atheer Istifan of Salon Istifan
- Free hygiene kits, while supplies last
- Free cappuccinos and cannolis, while supplies last
- Kids' Craft Corner, so children are entertained while adults visit attorney and vendor tables
- Giveaways, while supplies last

The fair will also include a wide range of community partners offering information and support related to mental health resources, veterans support services, housing and basic needs resources, disability advocacy and independent living support, employment and workers' rights information, and other services designed to help community members access care and stability.

Registration

Attendance is free, but registration is required, as it helps Disability Law Group plan for turnout and services. [Click here to register for the fair now.](#)
