

Dr. Jesus Mendiolaza Among Top 5 Cardiologists In The World Cardiology Conference Held In Dubai, United Arab Emirates

Orlando-based cardiologist expanding premier invasive, non-invasive & advanced imaging expertise to the US, Canada, Europe, Asia & Middle East. Now offering elite concierge cardiac care in Dubai, Qatar, Oman, Bahrain & Saudi Arabia. Global excellence

New York City, New York Apr 29, 2026 ([IssueWire.com](https://www.issuewire.com)) - Dr. Jesus Mendiolaza, MD, MPH, FACC, FASE, FSCMRI, FASNC, FHFSa, FESC, a distinguished cardiologist based in Orlando, Florida, has

been recognized as one of the “Top 5th Cardiologists in the 5th World Cardiology and Cardiovascular Disease Conference held in Dubai, United Arab Emirates, April 6, 2026. Dr. Catherine Smith, MD, Ph.D., Chief Organizing Secretariat | UCG wrote,” Your presence helped make this event a great success; your enthusiasm and positive spirit helped make our time together both productive and fun. We wish you all the best and hope you continue to engage with global cardiovascular care in the United States and all over the world. This event gathers almost 12,000 cardiologists from all over the world. Your compelling research papers and representing the United States in this global meeting were stellar and impeccable. She added, “We look forward to being the main speaker at The 6th World Cardiology and Cardiovascular Disease Conference & Exhibition from June 23-24, 2027, in Kuala Lumpur, Malaysia.”

He is recognized as one of the “top 10th Best Cardiologists in the United States” by Forbes, Press Media Up, and AP News. With over 33 years of experience in Medicine, Dr. Mendiolaza is renowned for his expertise in non-invasive and invasive cardiology, as well as advanced cardiac imaging techniques.

Holding 15 active state medical licenses, Dr. Mendiolaza offers, in addition to his expertise at Humana Centerwell, Orlando, Florida, he also offers concierge cardiology services across the United States, Europe, South America, Asia and now the Middle East, where he has successfully achieved and passed the strict board examinations in all various countries mentioned above providing personalized care to patients across all the mentioned continents. His home-based practice in Orlando serves as the hub for his expansive network, ensuring accessible and high-quality cardiac care worldwide.

Dr Mendiolaza’s commitment to excellence is further demonstrated by his recent board certification in Advanced Heart Failure and Heart Transplant by the Heart Failure Society of America in 2024, the highest level of certification in this specialty. His academic journey includes a medical degree from Federico Villarreal National University in Lima, Peru, followed by advanced training at prestigious institutions such as UCSF, Stanford University, NIH, Harvard University, University of Illinois, Robert Wood Johnson-Rutgers University School of Medicine, among others. He is fluent in 5 languages, and speaks Dutch and Japanese

In addition to his clinical practice, Dr. Mendiolaza is actively involved in global cardiac imaging research. He presented his findings at international symposiums in Budapest and London in January 2024, in addition to Cardiac MRI in London and Portland, US, and in Hong Kong and Dubai, amongst others, showcasing advancements in cardiac CT, MRI, and Nuclear Cardiology. In addition, he presented his compelling studies in Amsterdam, Cologne, and Paris in 2025. He too has performed non-invasive and invasive cardiac care in Buenos Aires, Argentina, Santiago, Chile, Sao Paulo, Brazil, plus Barcelona, Madrid, Hong Kong, Taipei, Seoul, Tokyo, and Osaka.

Dr. Mendiolaza’s dedication to patient education is evident through his participation in community health initiatives. In addition, he serves as a mentor for young career cardiologists sponsored by the American Society of Echocardiography, Peer review reader for the Journal of Cardiac Computed Tomography, Writer for Board Questions at the lead of the American Board of Internal Medicine, Cardiovascular Chapter, and as a Judge for papers and research reviewer sponsored by the American College of Cardiology, Florida. By combining clinical expertise with a passion for teaching, he continues to make significant contributions to the field of cardiology within the United States and all over the world.
