## Transforming Patient Care Through Expertise, Compassion, and Education

**Bradenton, Florida Apr 1, 2026 ([IssueWire.com](https://www.IssueWire.com))** - A board-certified internal medicine physician, Dr. Omar Pérez-Feliciano, is the Associate Program Director of the Internal Medicine Residency at HCA Florida Blake Hospital. With over six years of dedicated experience, he is recognized for his expertise in hospital-based care and his unwavering commitment to clinical excellence, making him an invaluable asset to both his patients and the medical community.

Dr. Pérez-Feliciano's patient-centered approach is characterized by clear communication and a dedication to improving health outcomes through evidence-based medicine. As a practicing hospitalist and educator, he collaborates with multidisciplinary teams to deliver comprehensive, high-quality care tailored to the unique needs of each patient. His proficiency in managing complex medical conditions—including critical illnesses such as sepsis and stroke-related ailments—showcases his ability to navigate challenging healthcare scenarios with skill and compassion.

Patients and colleagues consistently commend Dr. Pérez-Feliciano for his clear communication style, which serves to demystify complex medical concepts. He believes that effective communication is paramount in fostering trust and understanding between healthcare providers and patients. By prioritizing attentive follow-up care, Dr. Pérez-Feliciano ensures that patients feel supported throughout their recovery journeys.

Reflecting on his journey, Dr. Pérez-Feliciano attributes his success to his deep-rooted passion for medicine, which was nurtured by his upbringing in a family of healthcare professionals. His early exposure to the medical field, combined with his natural affinity for the sciences, paved the way for his career as an internist specializing in hospital medicine. He also highlights the importance of continuous learning, stating, "Medicine is vast and ever-changing, and I strive to grow with it."

In addition to his clinical work, Dr. Pérez-Feliciano is passionate about teaching the next generation of physicians. As the Assistant Program Director of the Internal Medicine Residency, he takes pride in mentoring medical students and residents, instilling in them the same love for patient care that drives his own practice. In his spare time, he enjoys reading the *Journal of the American Medical Association* (JAMA) and staying informed on the latest medical advancements.
