

# EHunt Launches 5 New European Language Versions to Better Serve Etsy Sellers Across Europe

This latest update introduces five localized European language versions and AI-powered review insights to help Etsy sellers across Europe make smarter product research decisions.

The screenshot shows the EHunt website interface. At the top, there's a navigation bar with the EHunt logo, links for 'Fonctionnalités', 'Ressources', 'Pricing', and 'Affiliation' (with a 50% discount tag), a language selector set to 'FR', and links for 'TikTok Shop Analytics', 'Connexion', and 'S'inscrire'. A dropdown menu is open, listing languages: English, 简体中文, Türkçe, Deutsch, Français, Español, Italiano, and Português. The main content area has a headline: 'Outils tout-en-un pour vendeurs Etsy : Recherche de produits et boutiques, SEO et publicités'. Below this is a paragraph: 'Boostez votre activité Etsy avec EHunt ! Accédez à des outils puissants incluant le suivi de rang Etsy, le calculateur de frais Etsy, les outils SEO Etsy, l'outil de mots-clés Etsy, l'outil marketing Etsy, les outils de recherche de produits Etsy et la gestion des publicités Etsy. Augmentez les ventes et gardez une longueur d'avance sur les tendances du marché.' There are two buttons: 'Commencer gratuitement' and 'Ajouter à Chrome - Gratuit'. To the right is a video player with a play button. At the bottom, it says 'Apprécié par plus de 2 millions de vendeurs e-commerce dans le monde' and has a chat icon.

**New York City, New York Apr 10, 2026 (IssueWire.com)** - EHunt, a leading one-stop platform for Etsy product research and operations, has rolled out a major update designed to better serve European Etsy sellers and its growing global user base, while enhancing data-driven decision-making for sellers.

This latest release introduces five new European language versions, including German, French, Portuguese, Spanish, and Italian, making EHunt more accessible to Etsy sellers across Europe, alongside a powerful new AI Review Analysis feature that helps users quickly extract insights from customer feedback and optimize their product strategies.

## Highlights of EHunt

The highlights of this upgrade include:

### 1. Multilingual Support

[EHunt](#) is now available in five European languages, including German, French, Portuguese, Spanish, and Italian, making the platform more accessible to Etsy sellers across Europe. With a fully localized interface, users can navigate tools, analyze data, and discover winning products more efficiently in their native language, reducing barriers and improving overall workflow.

### 2. AI Review Analysis

The newly introduced [AI Review Analysis](#) feature enables sellers to gain deeper insights from product

reviews. By analyzing customer feedback, it intelligently identifies consumer profiles, expectations, and purchasing motivations. In addition, the feature supports one-click export of review data, including both text and images, making it easier for sellers to conduct further analysis and optimize their product strategies.

## About EHunt

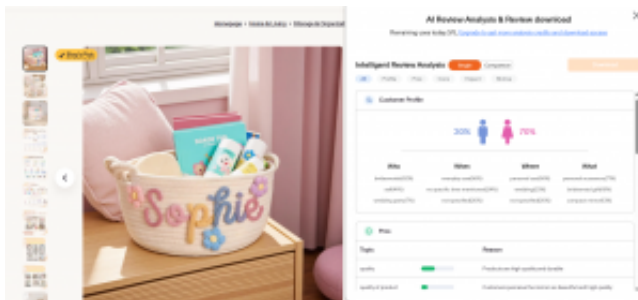

EHunt is a comprehensive platform designed to empower Etsy sellers with data-driven insights and operational tools. Currently, it supports Etsy product research, Etsy keyword mining, Etsy shop analysis, Etsy offsite ads analysis and more. EHunt helps sellers enhance profitability, streamline operations, and scale their businesses with confidence. This is a valuable resource for achieving growth goals without any financial commitment.
