

Empower Young Minds: Rhonda I-Wisdom Seabrook's New Activity Books Teach Fun, Cultural Wisdom

Activity Book for Kids

Supreme Party

Alphabet Edition

By: Queen I-Wisdom Understanding Earth

Charleston, South Carolina Apr 14, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Children's author Rhonda I-Wisdom Seabrook, also known as Queen I-Wisdom Understanding Earth, continues her mission of uplifting families and communities with the release of two engaging and educational activity books: *Supreme Party: Alphabet Edition* and *Supreme Party: Mathematics Edition*. Designed to introduce young readers to the foundational teachings of the Five Percent aka Nation of Gods and Earths, these books combine cultural wisdom, creativity, and interactive learning to inspire intelligence, unity, and self-worth in children.

Through fun activities, coloring pages, puzzles, and games, Seabrook's books guide children on a journey of discovery, helping them understand and apply the principles of the Supreme Mathematics and the Supreme Alphabet in ways that are both enjoyable and memorable.

A Journey of Learning, Play, and Cultural Empowerment

Supreme Party: Alphabet Edition invites children to explore the Supreme Alphabet, providing an interactive foundation for learning while nurturing curiosity and confidence. Each activity encourages engagement with letters, concepts, and vocabulary, making the process of learning culturally rooted knowledge fun and accessible.

Similarly, *Supreme Party: Mathematics Edition* introduces young minds to the principles of Supreme Mathematics through coloring exercises, crosswords, word searches, and matching games. The book empowers children to comprehend complex concepts in creative and enjoyable ways, connecting the wisdom of the Five Percent Nation to everyday learning.

Both books are crafted with the goal of helping children not only learn but also **build confidence, embrace knowledge, and grow with purpose**, all while having fun.

Why These Books Matter — Building Knowledge, Confidence, and Creativity

Queen I-Wisdom's books resonate with parents, educators, and mentors who want to introduce cultural and educational lessons to children in an interactive way. Key benefits include:

- **Foundational Cultural Knowledge**
Children gain an early understanding of Supreme Mathematics and the Supreme Alphabet, learning principles that reinforce wisdom and purpose.
- **Interactive Learning**
With coloring pages, puzzles, and games, children actively apply concepts, boosting comprehension and memory retention.
- **Confidence and Self-Worth**
Engaging with these books empowers children to explore their creativity while internalizing meaningful lessons about knowledge and unity.
- **Fun Meets Education**
Learning is transformed into an enjoyable adventure, ensuring that children remain motivated and inspired to continue exploring.

About the Books
