Mir Bachchekut, Kabul Apr 20, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Entrepreneur Arian Najibullah Expands Multi-Industry Presence with Eagle Energy Drink and EWC MMA Platform

Arian Najibullah, a U.S.-based entrepreneur, professional MMA fighter, and aviation enthusiast, continues to build a powerful presence across multiple industries, combining business leadership with a

high-performance lifestyle.

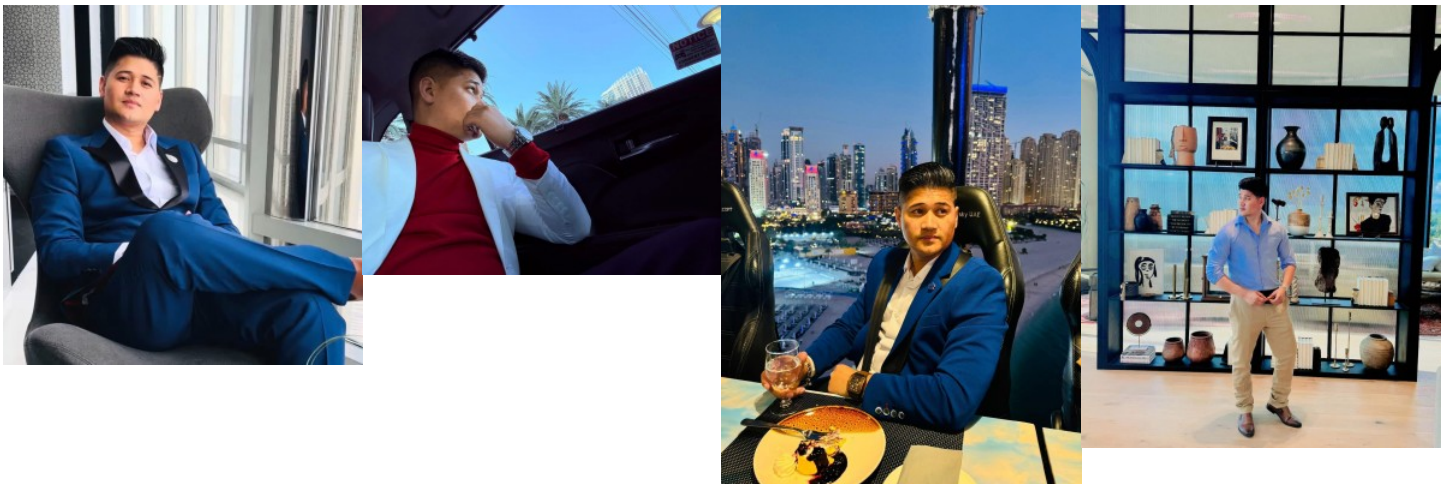

As the founder of Eagle Energy Drink, Najibullah is developing a fast-growing brand focused on performance, energy, and endurance. The company aims to deliver a premium product designed for athletes, entrepreneurs, and individuals seeking a competitive edge.

In addition to his work in the beverage industry, Najibullah is the creator of EWC (Eagle Warriors Championship), an international mixed martial arts platform dedicated to showcasing talent and creating new opportunities for fighters worldwide. Through EWC, he is actively contributing to the growth of combat sports and supporting emerging athletes on a global stage.

Najibullah also owns AFG Security LLC and ClearSky Wholesale LLC, further expanding his footprint in security services and wholesale distribution. His diverse business portfolio reflects a strategic approach to entrepreneurship and long-term growth.

Beyond business, Najibullah is known for his involvement in professional MMA, as well as his passion for skydiving and aviation. As a pilot and adrenaline-driven athlete, he represents a lifestyle built on discipline, focus, and resilience. He holds a Bachelor's degree in Criminal Justice and has been living in the United States since 2015, where he continues to grow his ventures and influence.

With a vision centered on innovation and opportunity, Arian Najibullah is positioning himself as a rising figure in both business and sports, inspiring others through his journey and commitment to excellence.
