Mazanek, and experienced dental hygienists Sharon Mazur R.D.H. and Aseel Mohammad R.D.H. Every team member is committed to delivering gentle, patient-focused care tailored to individual needs.

**Comprehensive Dental Services Under One Roof:** From routine preventive checkups and pediatric dental care to advanced cosmetic procedures, restorative treatments, and dental implants, [Family Dentistry of Niles](#) provides complete dental care for every member of the family without the need for multiple referrals.

**Advanced Dental Technology:** The practice is equipped with CBCT 3D imaging, digital X-rays, intraoral cameras, and digital scanners to support precise diagnosis, comfortable treatment planning, and efficient, high-quality outcomes. Nitrous oxide sedation is also available for patients who experience dental anxiety.

**Affordable Care with Major Insurance Accepted:** Family Dentistry of Niles accepts most major dental PPO insurance plans and is committed to making quality dental care accessible. The team assists patients in understanding their coverage and maximizing their benefits.

**Convenient Hours:** The practice is open Monday through Thursday, with Saturday morning availability, making it easier for working individuals and families to schedule appointments that fit their lives.

## Services Available to New Patients

Family Dentistry of Niles currently provides the following services to patients in Niles, Park Ridge, and surrounding communities:

**General Dentistry:** Comprehensive dental checkups, consultations, professional cleaning and scaling, tooth-colored fillings, tooth extractions, and root canal treatment to maintain and restore everyday oral health.

**Pediatric Dentistry:** Child-friendly dental checkups, fluoride treatments, and dental sealants designed to protect growing smiles and establish healthy habits from an early age.

**Cosmetic Dentistry:** A full range of smile-enhancing services including professional teeth whitening, porcelain and composite veneers, dental bonding, smile makeovers, and Spark Clear Aligners for discreet orthodontic treatment. The focus is on longevity and uncovering the best version of each patient's smile.

**Restorative Dentistry:** Dental crowns, bridges, and complete and partial dentures to rebuild damaged or missing teeth, restore function, and strengthen every smile.

**Dental Implants:** Premium, custom-made dental implants that replace missing teeth with a long-lasting, natural-looking solution. Single dental implant options are available, with treatment planning supported by advanced CBCT 3D imaging technology.

**Spark Clear Aligners:** An innovative, discreet orthodontic option for patients looking to straighten their teeth without traditional metal braces. Treatment suitability is assessed by Dr. Shah based on individual clinical circumstances.
