

Gabriel Unaji Releases New Christian Self-Help Book "The 7 Fundamental Laws That Guarantee a Successful Marriage"

A Guide to Building Lasting Relationships The Christian self-help book by Gabriel Unaji offers readers practical principles for creating strong, enduring marriages.

London, England Apr 23, 2026 (Issuewire.com) - Gabriel Unaji announces the release of "*The 7 Fundamental Laws That Guarantee a Successful Marriage*," a **Christian self-help book for couples and families** seeking guidance on building stable and meaningful relationships. The book presents a principle-based approach to marriage rooted in faith and practical application. It is designed to address common challenges couples face and provide structured solutions for long-term success.

In "*The 7 Fundamental Laws That Guarantee a Successful Marriage*," **Gabriel Unaji** outlines seven core principles—Agreement, Priority, Pursuit, Possession, Purity, Love, and Respect—that serve as a foundation for healthy relationships. This **self-help book for married couples, engaged partners, and individuals preparing for commitment** explains how many relationship challenges stem from a lack of understanding of these principles. The book is **now available on Amazon**, making it accessible to readers looking for guidance grounded in both experience and faith. As a **Christian relationship guide**, it speaks to readers seeking clarity, direction, and a structured approach to sustain marriage.

"Many marriages struggle not because people do not care, but because they lack the knowledge of what truly makes a relationship work," said **Gabriel Unaji**. "This book was written to provide clear principles that anyone can apply to build a lasting and peaceful marriage."
