Fletcher's 2026 Accolades include being named a National Top 100 Agent in the U.S, The Tennessee State Winner

**Nashville, Tennessee Apr 22, 2026 ([Issuewire.com](https://www.issuewire.com))** - RateMyAgent, the global review and ratings platform for real estate professionals, has officially announced Gabriela Fletcher of Benchmark Realty as a primary winner in the 2026 US Agent of the Year Awards. Fletcher, already recognized as a Top 1% Realtor in Middle Tennessee, has secured an elite position in the top 1% of agents nationwide through the platform.

The sixth annual awards, released on March 11th, 2026, recognize the nation's top real estate agents and Realtors, celebrating their dedication to the highest standards of customer service. Fletcher's 2026 accolades include being named a National Top 100 agent in the United States, the Tennessee State Winner, and the Davidson County Winner for the second consecutive year.

Unlike other industry honors, the RateMyAgent awards are unique because they are driven primarily by

verified customer feedback. To ensure accuracy and fairness, the calculation process undergoes an annual independent audit conducted by the global accounting firm RSM.

"The RateMyAgent Awards acknowledge real estate agents who go above and beyond for their clients," said RateMyAgent CEO Jim Crisera. "Performance-based reviews are essential in enabling agents to stand out, and they're also the main criteria toward receiving a RateMyAgent Award".

"I am deeply honored to be recognized in the top 1% both locally in Middle Tennessee and across the nation," said Gabriela Fletcher. "This award is a reflection of the trust my clients place in me and my commitment to providing a strategic, supportive pathway to homeownership in our competitive Nashville market".

Fletcher's consistent performance is further highlighted by her status as a 2x National Top 100 winner (2025-2026) and a multi-city winner in Mount Juliet and the Nashville-Davidson metropolitan area.
