Music Promotion

MID-APRIL YOUTUBE

GROWTH

YOUTUBE PROMOTION SERVICES

brings a new opportunity for the creators with **Music Promotion Club's** Mid-April Growth Sale offer. With the help of this sale offer, music artists can improve their holiday viewing time on their videos with **10% discount** on the [YouTube Promotion Services](#). The sale is activating on **April 19**, and it will empower artists till **April 26** with a massive reduction in the price of the music video promotion packages. This sale can help music artist improve their watch time significantly, along with more organic views, engagement, and an improved number of subscribers. The company is encouraging all kinds of emerging music artists on YouTube to take complete advantage of this profitable opportunity.

The **Music Promotion Club** is a reliable name in the field of music video promotion, as the agency has been empowering artists from every genre with more popularity and a strong establishment in the niche market. The agency is an **official Google partner** that utilizes official YouTube ad tools. Its trustworthy approach in music video promotion is what makes it transparent and professional. The platform has a huge network over YouTube, Google partner sites, and the display network, which allows providing maximum exposure for all kinds of music artists, whether a singer, a rapper, or a music producer. Based on the preferred region of promotion of the artists, the company offers regional and global exposure through its network. It can help to reach the desired number of organic views through a credible network and relevant users who can also become loyal fans and subscribers. It also improves online engagement and traffic in the video content and improves the overall presence of the YouTube Channel.

Music artists can also enjoy the benefits of content marketing with Music Promotion Club, as it offers paid **press release distribution, music blog submission, artist interviews**, and other services. The music press release is crafted by professional writers in the agency, which is further distributed through a network that includes over **200+ media outlets** and digital channels. Similarly, the music blog and the interview can also reach millions of listeners. The agency offers a fruitful opportunity to get featured in a revered online **Digital Music Magazine** called **Daily Music Roll**. The combined approach of ad campaign and content marketing can greatly improve the career of emerging music artists on YouTube.

Music Promotional Club is best known for its affordable promotion, and the price of the package is getting even lower with the latest Mid-April Growth Sale offer, where artists can get 10% discount on YouTube Video Promotion services. The small window for this exclusive sale is open **from April 19**, and it will be active till **April 26 only**. Rising and independent music artists on YouTube can leverage this fruitful opportunity. The company has empowered many YouTube artists for more than a decade, and it is continuing on its journey to support the artists' growth. Visit the official website to know more.
