

Garnett Patterson Injury Lawyers Relocates Decatur Office to New Highway 67 Address

Garnett Patterson Injury Lawyers enhances accessibility in Decatur while Huntsville office remains unchanged

Decatur, Alabama Apr 16, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Garnett Patterson Injury Lawyers has announced the relocation of its Decatur office to a new address, reinforcing its commitment to providing accessible, client-focused legal services to the local community.

The firm has moved its [Decatur office](#) from 108 4th Ave NE, Ste 200B, Decatur, AL 35601, to its new location at 496 Hwy 67 S, Decatur, Alabama 35603. The updated office space offers improved accessibility, additional parking, and a more comfortable setting for client consultations.

Importantly, the firm's Huntsville office remains at its current location and has not changed. Clients in the Huntsville area can continue to visit and receive services there as usual without any interruption.

The relocation reflects the firm's continued growth and dedication to meeting the needs of individuals and families throughout the Decatur area while maintaining its established presence in Huntsville. By relocating its Decatur office to a more convenient setting, Garnett Patterson Injury Lawyers aims to ensure clients can more easily access the legal support they need.

"This move allows us to better serve our Decatur clients with a more convenient and welcoming space, while our Huntsville office continues operating as it always has," said a spokesperson for [Garnett Patterson Injury Lawyers](#). "We remain committed to delivering trusted legal representation and personalized service to every client."

All services will continue without interruption at both locations, and clients are encouraged to update their records for the Decatur office accordingly. The firm looks forward to welcoming both new and existing clients to its new Decatur location while continuing to serve the Huntsville community.

For more information or to schedule a consultation, individuals are encouraged to contact the office directly.
