In the words of Gary Barve For USA President:

"My beautiful romantic emotional original song Love Heartbeat is available worldwide now on Spotify, Apple Music, Amazon Music, Deezer, Tidal, VEVO and more.

This Official Music Video Love Heartbeat has a about \$0 (Zero Dollars) Budget.

The lighting, camerawork, singing, screenplay, choreography, editing and acting in this Official Music Video Love Heartbeat is from me Music Artist Gary Barve For USA President.

It took me about 40 minutes (from about 12:30 AM CST to 1:10 AM CST on Thursday April 2, 2026) to compose the lyrics for my first original song titled LOVE HEARTBEAT, including giving this song melody tune and rhythm.

The first 10 minutes, nothing came to mind. Lyrics did not rhyme, rhythm would not make melody.

The next 10 minutes were better.

The last 20 minutes were pure magic!

I never really felt I could be an original songwriter.

I am happy that I tried and persevered.

I actually really enjoyed the creative process!

My first original song LOVE HEARTBEAT is a Vocals and Piano only song.

Thank you to my friend and successful music artist Roger DJ Rampage McNair (He has worked with music sensations Mariah Carey, Alicia Keys, Busta Rhymes and Flava Flav) for being my official Music And Entertainment Manager.

Thank you to my friend Emanuele Filippi for his beautiful piano play.

Thank you to my friend and talented Sound Engineer Nick from The Nashvox Recording Studio in Nashville, TN for helping me with Music Production.

Vocals for Love Heartbeat are from me music artist Gary Barve For USA President.

Listen in with headphones. Enjoy!"
