WHILE SUPPLIES LAST!

Springfield, Missouri Apr 16, 2026 ([IssueWire.com](https://www.IssueWire.com)) - As temperatures rise and the early spring planting season continues, homeowners across the United States are heading to Sutherlands to take advantage of the exclusive [Early Birds Plants Sale](#) and limited-time seasonal offers. With growing interest in backyard gardening and DIY garden projects, Sutherlands is quickly becoming a go-to destination for affordable plants, premium garden supplies, and complete home gardening solutions.

This year's seasonal garden sale arrives at the perfect time for both beginner gardeners and seasoned landscaping enthusiasts. From vibrant flowering plants and vegetable starters to high-quality seeds and nutrient-rich soil, Sutherlands is offering everything needed to kickstart a thriving garden. Shoppers can also find a wide selection of fertilizers, mulch, and landscaping products designed to enhance plant growth and improve outdoor spaces.

To access the exclusive Friends' Early Bird Price on select items, customers may join the [Friends of the Family program](#), and members unlock additional savings throughout the season. Shoppers can also join the Sutherlands Text Club by texting their location keyword to **833-915-3158** to receive special offers and sale alerts. Participating locations include **Aurora, Joplin, Sedalia, Springfield, and Pearl**.

Beyond plants, Sutherlands continues to provide complete home gardening solutions, including nutrient-rich soil, fertilizers, mulch, and essential tools. Homeowners can explore a wide range of garden supplies and seasonal essentials to build, maintain, and enhance their outdoor spaces. For optimal lawn care, shoppers can also discover [high-quality lawn fertilizers and grass seed](#) to promote healthy, green growth throughout the season. To take projects further, customers can power their upgrades with [reliable outdoor power equipment](#) designed for efficient yard maintenance.

With the growing popularity of backyard gardening and sustainable living, Sutherlands is making it easier for customers to start early, save more, and access everything they need in one place.

Due to high demand and limited inventory, many of these offers are available **while supplies last**, creating urgency for shoppers to act quickly. Early buyers benefit from the best selection and pricing before peak season arrives.
