HRA Foundation to Host 10th Annual Golf Tournament Supporting CURE Childhood Cancer's 50th Anniversary

The **HRA Foundation** will host its **10th Annual Golf Tournament** on **Friday, April 24, 2026**, at **Mirror Lake Golf Course in Villa Rica, Georgia**, bringing together convenience retailers, supplier partners, and industry leaders in support of **CURE Childhood Cancer**, which is celebrating its **50th anniversary** this year.

The HRA Golf Tournament has become one of the convenience industry's most anticipated charity events, uniting competition, networking, and purpose. Proceeds from the tournament will benefit **CURE Childhood Cancer**, an Atlanta-based nonprofit organization dedicated to funding pediatric cancer research and providing direct support to children and families affected by the disease.

Over the past decade, the HRA Foundation has raised an **incredible \$336,516** in Support of Children, including this **eighth consecutive year supporting CURE Childhood Cancer** — a milestone that underscores the organization's long-standing commitment to community impact and industry leadership.

"This tournament represents everything HRA stands for — collaboration, leadership, and giving back," said **Chirag Patel, CEO of HRA and tournament sponsor**. "Our members and partners continue to show extraordinary generosity, and reaching this milestone alongside CURE's 50th anniversary makes this year especially meaningful."

The event will feature a full day of golf, hospitality, on-course contests, and networking, followed by sponsor recognition and appreciation. Tournament sponsors will also be recognized at a private appreciation dinner held the evening prior to the event.

With participation expected from convenience retailers and supplier partners across the Southeast, the tournament continues to strengthen relationships throughout the industry while making a tangible impact beyond the store level.

About the HRA Foundation

The **HRA Foundation** is the charitable arm of HRA, focused on supporting meaningful causes that positively impact children, families, and local communities. Through industry events and partnerships, the Foundation channels the collective strength of the convenience retail community to drive charitable giving and long-lasting change.

About HRA

HRA represents more than **5,000 convenience retailers and 45 vendor partners across eight states**, making it one of the fastest-growing retail associations in the Southeast. Through collective buying power, category expertise, and strategic partnerships, HRA delivers exclusive discounts, programs, and business resources to its members.

About CURE Childhood Cancer

Founded in **1975** and headquartered in **Atlanta**, **CURE Childhood Cancer** is dedicated to conquering

childhood cancer by funding targeted research and providing patient and family support services. In 2026, CURE celebrates **50 years** of impact in the fight against pediatric cancer. Learn more at www.curechildhoodcancer.org.
