

Imran Imtiyaz: A Visionary Entrepreneur Building a Multi-Industry Business Ecosystem Across Global Markets

Entrepreneur | Founder | Real Estate Developer | Marketing & Branding Strategist | Business Ventures

Dubai, United Arab Emirates Apr 27, 2026 ([IssueWire.com](https://www.issuewire.com)) - Imran Imtiyaz, an Indian entrepreneur is emerging as a dynamic force in the global business landscape through his diversified ventures spanning real estate, industrial infrastructure, marketing, events, and digital platforms. With over 16 years of experience, Imtiyaz has successfully built and scaled businesses across the United Arab Emirates, India, and the United States.

Born on November 22, 1985, in India, Imtiyaz completed his schooling at St. John's High School, Bangalore, followed by his pre-university education at Cathedral College. He later earned a Bachelor of Business Management (BBM) from CMR College, Bangalore, in 2006, laying the groundwork for his entrepreneurial journey.

A Strong Foundation in Real Estate and Land Banking

Imtiyaz began his career in 2006 with the establishment of **Global Ventures India & Co.** and **Global Estates & Properties**. These ventures specialize in commercial property development, land banking, and real estate investment.

Over the years, he has led multiple projects involving land acquisition, investment planning, and development of commercial assets, building long-term partnerships with investors, corporates, and tenants.

Expanding into Industrial and Infrastructure Solutions

In 2024, Imtiyaz expanded into the industrial sector by founding **Planet Racking & Steel**, a company focused on warehouse infrastructure and storage solutions. The company provides pallet racking systems, mezzanine flooring, industrial shelving, and customized storage solutions that improve operational efficiency for logistics and commercial facilities.

He also founded **Meta Tech Metal Industry**, a UAE-based enterprise delivering premium stainless steel and architectural metal solutions. The company offers advanced services such as PVD coatings, liquid metal finishes, and industrial applications, adhering to international standards including ASTM, EN, JIS, and DIN.

Driving Growth Through Marketing, Events, and Digital Platforms

Recognizing the importance of branding and digital presence, Imtiyaz launched **The Flick Studio**, a full-service marketing and branding agency. The agency offers services including brand identity development, website design, performance marketing, and digital campaign strategy, helping businesses establish strong digital footprints and scale effectively.

Further expanding his footprint, he founded **Connection Digital Ventures**, a United States-based platform focused on email marketing and digital communication solutions, enabling businesses to enhance customer engagement and lead generation.

In addition, Imtiyaz co-founded **Celestine Events**, an event management company delivering corporate, commercial, sports, and fashion events, along with trade shows and experiential brand activations.

Previous Ventures in Trade and Distribution

Between 2021 and 2024, Imtiyaz was actively involved in trading and distribution through **Arif General Trading LLC** and **Barasti General Trading LLC**. These ventures focused on garment manufacturing, FMCG distribution, global trade operations, and market expansion, further strengthening his expertise in supply chain and international business.

A Diversified and Strategic Business Approach

Imran Imtiyaz is known for his integrated and diversified business model that connects real estate, infrastructure, materials, branding, events, and digital solutions into a unified ecosystem.

His core expertise includes:

- Business development and strategic partnerships
- Property investment and land banking
- Branding, marketing, and digital growth strategies
- Industrial infrastructure and material solutions
- Event management and experiential marketing

His business philosophy is centered on a simple yet powerful principle:

“Identify opportunities. Build meaningful ventures. Deliver long-term value.”

Personal Life and Background

Imran Imtiyaz is married and maintains a private personal life. He is multilingual, with proficiency in English and Urdu, and continues to lead multiple ventures across regions while focusing on long-term value creation.
