TWO KINGDOMS

KEITH WAYNE

Tomah, Wisconsin Apr 23, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Author **Keith Wayne** returns with *The Chronicles of TRIAD: Two Kingdoms*, the highly anticipated second installment in his immersive fantasy series, delivering a powerful continuation of a world shaped by deception, destiny, and the timeless battle between light and darkness.

Set in the troubled realm of Overworld, the story unfolds under the rule of a false king and his loyal followers, casting a shadow of uncertainty across the land. As unrest quietly grows, hidden figures Caleb, Yara, and the harvester Ottarius wait for the right moment to rise and challenge the forces at play.

Meanwhile, far from the heart of the conflict, Andora embraces her emerging powers and devises a bold plan to rescue the rightful rulers, King Jadar and Queen Rhaana, who have been unjustly exiled to the Underworld. As their journey of survival and revelation unfolds, the fate of the kingdom hangs in delicate balance.

Rich in imagination and layered storytelling, *The Chronicles of TRIAD: Two Kingdoms* weaves together themes of courage, sacrifice, and hope, leaving readers questioning whether truth will prevail—or if darkness will ultimately consume all.

About the Author

Keith Wayne's passion for storytelling began in childhood, where he spent countless hours creating imaginative worlds and writing short stories. Although his early love for writing gave way to a successful career in graphic arts, drafting, 3D modeling, and architecture, his creative spirit never faded.

Over time, his imagination continued to grow through art, travel, and a deep appreciation for fantasy and science fiction. After nearly a decade of carefully building the world of TRIAD—its landscapes, characters, and intricate storyline—Wayne brought his vision to life through writing.

In addition to his creative work, Wayne enjoys traveling, woodworking, and working with animals, including training and competing with his dogs in agility trials.

Inspiration Behind the Book

As the second installment in an ongoing series, *The Chronicles of TRIAD: Two Kingdoms* was inspired by Wayne's desire to create a fully realized world filled with compelling characters, complex structures, and a narrative rooted in the enduring conflict between good and evil.

Message to Readers

Wayne shares that the journey is far from over, with Book Three already scheduled for release in Fall 2026—promising even more depth, adventure, and revelations.
