Boston, Massachusetts Apr 21, 2026 ([Issuewire.com](https://www.issuewire.com)) - Maureen Lepatan is the Chief Operating Officer and Head of Global Innovation at Strathwell, Inc., based in Boston, Massachusetts. With a multi-faceted background in real estate, law, technology, and global consulting, Maureen brings an

unparalleled, data-driven perspective to the industry. Her extensive experience, particularly in asset management, where she honed her skills in negotiation, strategic planning, and transaction execution.

Since founding Strathwell, Maureen has showcased remarkable leadership, successfully scaling the company from inception to profitability within mere months. Her ability to secure investor backing and build a growing client base is a testament to her innovative mindset and commitment to excellence. At Strathwell, she integrates cutting-edge AI-driven solutions with real estate and operational strategies, reflecting her dedication to enhancing efficiency and innovation within the sector.

In addition to her role at Strathwell, Maureen serves as a leader at Renzaire Group, where she drives revenue growth, fosters high-level client relationships, and oversees complex operations across multiple sectors. Her holistic understanding of the real estate landscape, which bridges legal, financial, and technological domains, positions her as an invaluable asset to clients seeking guidance in navigating complex transactions.

An Oxford-educated strategist, Maureen has affiliations with esteemed institutions such as MIT, further enriching her global insight with technical expertise in data analytics and process optimization. Her career includes impactful contributions to top-tier organizations like McKinsey, Amazon, and Google, where she has worked on transformative projects across various industries.

Maureen's success is largely attributed to her comprehensive, data-driven approach to real estate, which combines legal and sales expertise with a technology-forward mindset. Her strong negotiation skills and commitment to maintaining clarity and strategic guidance for her clients are hallmarks of her professional ethos. As a recognized inventor with a commercial patent, Maureen also contributes thought leadership through research, articles, and publications focused on innovation, data-driven strategy, and real estate optimization.

With her unique blend of expertise and a forward-thinking approach, Maureen Lepatan is poised to redefine the future of real estate, making her an essential leader in the industry.
