

Oswaal Books Launches CBSE Class 10 Marks Booster 2026 to Help Students Maximize Scores in Improvement Exams

Helping Students Improve Board Results with Focused, Exam-Oriented Preparation

Agra, Uttar Pradesh Apr 14, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Oswaal Books has introduced its latest **CBSE Class 10 Marks Booster 2026**, a focused and result-oriented study resource designed to help students significantly improve their board exam scores in a short time.

With the evolving CBSE examination structure offering students a second chance through improvement exams, Oswaal's Marks Booster series aims to transform this opportunity into measurable academic success.

A Smart Solution for Score Improvement

Unlike traditional textbooks, the CBSE Class 10 Marks Booster is built specifically for students reappearing for board exams. It emphasizes **strategic preparation over exhaustive study**, enabling learners to focus only on what truly matters for scoring higher marks.

The book follows a **quick revision format** that allows students to complete their preparation efficiently within a few days, making it ideal for last-minute revision cycles.

Key Features of CBSE Class 10 Marks Booster 2026

- **Focused Revision Approach:** Covers only high-weightage and exam-relevant concepts
- **Mistake Analysis:** Helps students identify and correct errors from their first attempt
- **Exam-Oriented Practice:** Includes board-pattern questions for targeted preparation
- **Final Practice Paper:** Simulates real exam conditions for better time management
- **Quick Completion:** Designed to be completed in a short span for maximum efficiency
- **AI-Powered Learning Support:** Enhances personalized revision and performance tracking

Designed for Real Exam Impact

The Marks Booster is not just another study guide—it is a **score improvement tool**. By combining key concepts, solved papers, and strategic insights, it ensures students revise smarter, not harder.

The content is structured to reduce stress and increase confidence, especially for students aiming to improve their previous scores without restarting their entire preparation journey.

Tailored for CBSE Improvement Exams

Specifically created for CBSE Class 10 students appearing for improvement exams, the Marks Booster series focuses on:

- Strengthening the weak areas identified in the first attempt
- Enhancing answer presentation for better marks
- Building exam confidence through targeted practice

This approach aligns with the needs of students who want **maximum results in minimum time**.
