### **A Call to Live Daily in God’s Presence and Power**

*Glory Realms* is a Scripture-based Christian book that teaches believers how to move beyond simply knowing about God—and begin **living in continual awareness of His Presence, walking in His power, and experiencing real transformation daily.**

Through clear teaching and practical application, the book reveals how to:

- Walk by faith and not by sight
- Align thoughts, words, and life with God’s Word
- Speak God’s promises with authority
- Break free from fear, doubt, and unbelief
- Experience healing, victory, and spiritual authority

At the heart of the message is a foundational biblical principle:

**“Can two walk together, except they be agreed?” — Amos 3:3**

Woeger emphasizes that when believers come into agreement with God, they position themselves to experience His Presence and see His Word manifested in their lives.

### **Available Free Online and in Multiple Formats**

To make this message widely accessible, *Glory Realms* is available:

- **Free to read online:**
