Burlington, Ontario Apr 7, 2026 ([IssueWire.com](https://www.issuewire.com)) - Rob's Quality Construction Corporation Inc, a Burlington-based home renovation company, has been recognized as a **HomeStars Best of Award Winner for 2026**. The award reflects the company's consistent performance and positive customer feedback, marking another year of recognition on the HomeStars platform.

HomeStars is a Canadian platform that connects homeowners with reviewed contractors and service providers. The Best of Awards recognize companies that demonstrate strong customer satisfaction, service reliability, and consistent project delivery over time. Rob's Quality Construction Corporation Inc has received this recognition multiple times, highlighting its continued presence as a trusted renovation contractor in the Burlington area.

For more than 15 years, Rob's Quality Construction Corporation Inc has provided residential renovation and remodeling services to homeowners across Burlington and surrounding communities. The company works on a range of projects, including home improvements, kitchen renovations, and general contracting services.

The company focuses on delivering practical renovation solutions supported by reliable workmanship and clear communication throughout each project. By working closely with homeowners, Rob's Quality Construction aims to ensure each renovation aligns with the client's expectations while maintaining consistent project standards.

Owner **Rob Szulimowski** says the recognition reflects the ongoing support of clients and the importance of maintaining quality service across all projects.

"I am grateful to be recognized through HomeStars and appreciate the continued support of our clients," said Szulimowski. "Our focus has always been on delivering dependable workmanship and ensuring homeowners feel confident throughout their renovation projects."

Rob's Quality Construction Corporation Inc continues to serve homeowners by providing renovation services designed to improve both the function and appearance of residential properties. The company emphasizes the use of durable materials and practical construction methods that support long-term results.

Receiving the HomeStars Best of Award for 2026, along with multiple prior recognitions, reflects the company's consistency in delivering renovation services and maintaining positive relationships with homeowners over time.
