The logo is centered within a white rectangular border, which is itself centered on a solid black background.

**Sydney, New South Wales Apr 20, 2026** ([Issuewire.com](https://www.issuewire.com)) - [Rocket Agency](https://www.issuewire.com) has won three major titles at the 2026 APAC Search Awards, including Best PPC Campaign, Best Large PPC Agency and Best Large Integrated Agency.

The wins place Rocket Agency among the region's leading search and digital agencies, as brands

continue to invest in performance-driven media and integrated strategies.

The [APAC Search Awards](#) recognise excellence in search marketing across Asia-Pacific, focusing on measurable results and innovation. Rocket Agency's recognition spans both campaign delivery and agency performance, highlighting its work in paid search and integrated digital strategy.

The Best PPC Campaign award reflects results in paid media, while the agency-level awards recognise its ability to scale campaigns and connect search with broader digital and creative efforts.

These wins add to Rocket Agency's growing list of industry recognition and strengthen its position in the APAC market.

A spokesperson for Rocket Agency said the wins reflect both team capability and long-term client partnerships. *"More than anything, this is a win for the people behind the work; the team who bring curiosity, their expertise and a whole lot of heart to what they do every day, and for the clients who trust us and build with us along the way."*

As brands invest more in full-funnel digital strategies, agencies that combine technical expertise with integrated execution continue to gain traction. Rocket Agency is expanding its presence in this space.
