Rylie Crenshaw: A Passionate REALTOR® Committed to Guiding Buyers and Sellers in Kansas and Texas

Manhattan, Kansas Apr 20, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Rylie Crenshaw, a dedicated REALTOR® with The Alms Group, is making waves in the real estate market by serving clients in Junction City, Manhattan, and Fort Riley, Kansas, as well as holding a license in Texas. With a focus on clear communication, strong advocacy, and a well-managed transaction process, Rylie is committed to ensuring that every client's journey—whether buying or selling a home—is a positive and rewarding experience.

Rylie's professional journey began in Texas, where she spent two impactful years with Kaleo Homes. During this time, she contributed to new construction sales totaling an impressive \$16,593,589. This experience provided Rylie with invaluable insights into builder processes and residential design, equipping her with a comprehensive understanding of home value and the elements that contribute to long-term satisfaction. Her time in Texas ignited her passion for real estate as she witnessed families stepping into their new homes, marking the beginning of fresh chapters in their lives.

In late 2024, Rylie made a significant personal move by relocating to Kansas to be with her fiancé, a combat engineer in the U.S. Army. This transition not only strengthened her resolve to assist others navigating similar life changes but also gave her firsthand experience of the challenges military families face. Shortly after her move, Rylie and her fiancé purchased their first home in Junction City, further deepening her commitment to guiding clients through the complexities of relocating, buying in new markets, and adapting to military life.

Alongside her role as a REALTOR®, Rylie also serves as a Transaction Coordinator for The Alms Group. In this capacity, she meticulously manages every document, deadline, and detail, ensuring that each transaction runs smoothly. Her mission is clear: to make the buying or selling process understandable and manageable, whether she is assisting military families, first-time buyers, or those interested in new construction opportunities.

Rylie attributes her success to her strategic planning and unwavering commitment to her clients. She believes that by staying focused and consistent, she can navigate each transaction with confidence. Rylie is particularly passionate about helping military families relocate efficiently, drawing from her own experiences to provide the support they need. Her dedication to leadership and community involvement is evident from her role as one of the founding members of the Blinn Business Society, showcasing her commitment to making a difference.

Beyond her professional life, Rylie enjoys competitive sand volleyball and has traveled extensively, having visited over 30 states and several countries in Europe, Mexico, Central America, and Canada. Her passion for travel enriches her understanding of diverse cultures and communities, further enhancing her ability to connect with clients from various backgrounds.

For Rylie Crenshaw, real estate is not just a career; it's a profound intersection of her love for homes, her respect for the families who build their lives within them, and her belief that every client deserves a clear and confident path forward. With her expertise and dedication, Rylie is poised to make a significant impact on the real estate landscape in Kansas and Texas.
