Properties and a longtime Waverly resident. He just shared that his team is officially sponsoring the 2026 Cars and Coffee event at the Waverly Community House. Since Steve lives right here in Waverly, he wanted to focus his company's outreach on the historic Comm and the local traditions that make this area great.

The 2026 Cars and Coffee event is set for Sunday, June 21st, from 9 to 11 AM. It all happens at the Waverly Community House at 1115 North Abington Rd. It is a fun morning where people can check out an impressive collection of antique cars, exotic sports cars, luxury sedans, and classic hot rods.

Steve Farrell mentioned that the Waverly Community House is really the heart of the town. He said that sponsoring Cars and Coffee is a natural fit for Classic Properties because it lets the team give back to the community while enjoying a hobby that so many neighbors love.

Steve has deep roots in the 18471 area, and that shows in how his company performs. In 2025, Classic Properties sold more homes in the region than any other real estate group. Steve credits that success to his team's local knowledge and their goal to be good neighbors.

When he isn't leading his Classic Properties real estate team, Steve stays busy in the community. He serves on the Institute for Public Policy and the Scranton LIFE board.
